* Gloves are not compulsory . Lighter the clothing the better.

* Dressage legal tack & bits this includes NO martingales or boots on horses.

Test riding tips for future training and competitions.

Very useful to have the marked paper score sheet available to look at while watching your video to see how the judge's comments & marks reflect with movements.

This is a useful way to continue training through the winter, practice riding different tests and gain helpful feedback from experienced dressage judges.
