Flu Vaccinations and microchips

All horses Flu vaccinations will need to return to the 6 months & 21 days ruling as of 1st October 2020.

No flu injection should be done any later than 7 days before the competition date.

Please can you check that your horse's flu vaccinations are up to date before entering.

Since COVID-19 there are changes in the Area 6 Q competitions & how they are organised.

The new change is instead of you having to your horse's passport checked at the secretary's office on the competition day.

All passports are checked well before the day of the competition by the Team managers of your own riding club.

You will be asked to send a photo of your horse's passport with horse's name, passport number & microchip number.

Photos of the dates of vaccinations from the start of 1st, 2nd & 3rd dates up to the current & recent vaccination this year.

These will be recorded on an excel sheet for future reference and help to speed up checking for any Area qualifiers entered going forward.

Passports must travel with horses and there may be spot checks on the day
