The Chess Valley Bridleways Association

Supports horse riders with the aim of providing safer off road riding on bridleways and permissive tracks in the area that covers Bovingdon, Chenies, Chipperfield, Chorelywood, Croxley Green, Flaunden, Ley Hill, Rickmansworth and Sarratt.

There are several licensed tracks which offer safe off-road riding between Sarratt - Bucks Hill and Little Westwood track from Bucks Hill to Jeffery's Farm bridleway & back to Chipperfield. Special membership fees allow license holders use these tracks throughout the year.

The CVBA has contacts with the relevant rights of way officers to help sort out a variety of bridleway problems with fallen trees, holes, fly tipping just mention a few issues.

For more information go to their website: cvba.org.uk or facebook page. Membership Secretary valsceats@aol.com

British Riding Club Area Team & individual competition qualifiers.

The club is affiliated to the British Riding Club (BRC) which means that riders who join an affiliated Club can then compete in competitions that are restricted to the BRC.

The United Kingdom is divided up into 23 Areas including NI.

OBHRC is in Area 6 with 16 clubs covering Bucks Berks, Oxon & Hants.

BRC Clubs can enter teams & individuals who can compete in show jumping, combined training, horse trials, dressage, DTM & arena eventing competitions throughout the year with the aim of qualifying for the different discipline championships.

London & South East qualifiers & championships

This is a much smaller group of riding clubs that are made up from Areas 6, 10, 11 & 13 only. With qualifiers running parallel with the BRC Area competitions, but more riders can qualify at each discipline with up to 5 teams competing from each area at the championships in September. The disciplines include dressage, Jumping, combined training, horse trials, DTM.
