TIN ROOF CAFE

EAT * DRINK * SHOP * RELAX

FRESH FOOD IN FRESH AIR

New to our little oasis is Tin Roof Cafe - a boutique, outdoor cafe offering a healthy range of salads, sandwiches, coffees and smoothies. We like life away from malls because we prefer quiet, green spaces. Have a day out with your family and have a bit of retail therapy at the same time. There is a playground and the entire area is fenced so children are safe to roam and have fun while parents relax.
