

Welcome to

SWEETWATER FARM

Restaurant Buyer's Guide

From our farm to your kitchen: We'll provide premium quality meats, so you can focus on delivering delicious meals and unique experiences to your customers.

Working with Sweetwater Farm

Sweetwater Farm, based in Henniker, NH, is committed to keeping things simple for our restaurant partners. We'll work with you to determine your beef and pork needs. Whether you're interested in supplementing your current inventory with premium cuts for specials or events, or looking to work our products into your everyday menu, we're here to help!

As a Sweetwater Restaurant Partner, you'll benefit from discounts off our bulk meat packages, or you can decide to buy wholesale (½ or whole cows and pigs by hanging weight). Our sales team will work with you to determine what makes sense for your inventory and budget and can help you customize your order, cut sheet and delivery schedule.

Our Livestock

We take pride in giving our cattle a good life with the freedom to roam across several acres of land at Sweetwater Farm. Our premium quality meat is a result of a healthy, farm-raised life and a diet of grass, beer-mash and hay. Our cows and pigs are born, raised, and butchered locally, and are never given antibiotics or added hormones, so you can be confident that you're bringing all-natural meats into your kitchen.

Cuts, Pricing & Delivery

We provide our Restaurant Partners with the option to customize their cuts with us, so you're getting exactly what you need. You can find our retail [pricing and product list](#) on our website. As a Restaurant Partner, you'll get a minimum 20% off retail price or can choose to buy wholesale by hanging weight (talk to our sales team for the current hanging weight pricing). Depending on the size of your order and commitment to Sweetwater Farm, we may be able to offer additional price discounts on large orders or long term contracts.

For our partners in NH and Greater Boston, we can arrange delivery directly to your door. Our beef and pork is delivered frozen and can be freezer wrapped or vacuumed sealed. Are you a bit further away? Contact our [sales team](#) to discuss shipping options.

More About Sweetwater

Stay at Sweetwater

Each year, we host dozens of guests to Sweetwater via our Airbnb rentals. Experience the farm's beauty with a stay in our cabins, "glamping" sites or in our newly renovated Farmhouse.

Check out our listings at www.airbnb.com/p/sweetwaterfarmnh

Historical Landmark

Sweetwater Farm, originally established in 1750, also housed Henniker's first Physician around 1775. Our family takes joy in being part of the town's history and welcomes class tours to visit the historic landmark each year.

The Lyons Family

Sweetwater Farm is owned and operated by the Lyons Family, who moved to Henniker in 2007. Our family has loved its time growing up on the land of Sweetwater Farm and is proud to be able to share a piece of Sweetwater with our customers.
