OVERVIEW

The **Pakistan Fellowship International (PFI)** hosts this biennial **Global Virtual Reunion (GVR2023)** to connect our worldwide network of past and current mission workers and MKs/TCKs who care about Pakistan. Join to learn, connect, and encourage each other and connect with Pakistan.

DATE & TIME & TIME ZONE

As a global network, we will use **Coordinated Universal Time and Greenwich Mean Time (UTC/GMT)** in London. The GVR2023 is these dates/times:

11 November: 6:00pm–11:00pm [UTC/GMT, London]

12 November: 7:00am–9:00am; and 7:00pm–10:30pm [UTC/GMT, London]

Note: In November, UTC is the same as Greenwich Mean Time (GMT) in London. The Daily Schedules (below) include Dates/Times for 9 of 24 Time Zones. Use Yellow Column to enter Your Time. Check: **TimeAndDate.com**

PROGRAM & ZOOM LINKS

The GVR2023 is an opportunity to learn and get updated, hear and share stories, enjoy creativity, visit, reconnect with Pakistan and our 'tribe', and expand your horizons (again). For many, it is a time to come together to pray and praise God's work in past and current generations and tell of it to future generations.

The GVR2023 offers a variety of Sessions. Each Session starts at the top of each hour, lasts 50-55 minutes, and ends with an optional Break (5-10 minute).

- Keynote with discussion
- Creative presentation with discussion
- Worldwide worship service
- Memorial with stories and remembrances
- Frontline Reports and Prayer for Pakistan
- Stories from our Elders
- Visiting Times

Please choose from the various Sessions and join as many as possible.

The GVR2023 Schedule with Zoom links will be on PakistanFellowship.org and posted on Facebook (PFI Group, MCS and MCSers Groups).

TIME ZONE CHALLENGE

Unfortunately, no single time is ideal for all Time Zones. However, we do not want to break into separate reunions for the Eastern and Western Hemispheres. Thus, for this to be a single, shared reunion, we encourage everyone to prepare in advance so that you can participate even during less favorable times. That way we can all come together to connect and encourage each other – and to connect again with Pakistan.
