

Cancellation Protocol

Our director Joe Pellegrini along with members of the board will make a cancellation decision **PRIOR to 5pm** on the date of a rehearsal or performance.

Please note that if Austintown Schools have been closed the day of our rehearsal, we will NOT have rehearsal.

Once that decision is made, mass email will be sent asap, and if time allows, a notice will be posted on the Member's page of our website.

SECTION COORDINATORS RESPONSIBILITY:

You are expected to take responsibility of making sure everyone in your section knows about the cancellation. You should know the players in your section as to who does not get or check email, and you should make personal contact as needed. Please be prepared by having the preferred contact information for everyone in your section.

Be Prepared: Our roster with emails and phone numbers is on the Private Section of the website. You should have requested and secured a login and password to access this area. If you need one, send a request to yacsb.ohio@gmail.com. Note that this process may take a day or more, and should be done before any emergency arises.

MEMBERS RESPONSIBILITY:

Let your sections leader know if you prefer a phone call or a text. And always let us know whenever your information changes.

Check your email or the website's Member Page or call/text someone in the band after 5pm if bad weather is present or pending.

Stay safe. Even if rehearsal is not cancelled and you feel uncomfortable driving, please do NOT take a chance.

Be Prepared: Establish a contact number - preferably phone or text - with your section coordinator and also a couple other band members whom you can contact quickly.
