

Youngstown Area Community Concert Band Sponsorship Form

Youngstown Area Community Concert Band (YACCB) is an open community band of 50-plus members that was founded in 1983. Our band members range in age from high school students to senior citizens. We have both professional and recreational musicians, and share a love of music. The band members take pride in YACCB and endeavor to be one of the finest community band programs in northeast Ohio.

YACCB maintains a year-round schedule of concerts and rehearsals with short breaks after the summer concert season and the Christmas concert season. One of the highlights of our year is the annual concert at Stambaugh Auditorium with the Stambaugh Chorus which benefits the Second Harvest Food Bank of the Mahoning Valley.

We are a non-profit 501(c)(3) organization whose total support depends on donations. Your financial support will help us pay for sheet music, equipment, and administrative costs.

Yes, I want to become a sponsor of the Youngstown Area Community Concert Band:

Fortissimo level (\$250 or more)	\$ _____
