As used hereinafter in this Agreement, the term "Employer" shall mean Henkels & McCoy, Inc. and the term "Union" shall mean Local Unions, 443 & 558, IBEW.

BASIC PRINCIPLES

The Employer and the Union have a common and sympathetic interest in the Electrical Industry. Therefore, a working system and harmonious relations are necessary to improve the relationship between the Employer, the Union, and the Public. Progress in the Industry demands a mutuality of confidence between the Employer and the Union. All will benefit by continuous peace and by adjusting any differences by rational, common-sense methods. Now, therefore, in consideration of the mutual promises and agreements herein contained, the parties hereto agree as follows:

ARTICLE I

Section 1.02 (a) Either party desiring to change or terminate this Agreement must provide written notification at least 90 days prior to the expiration date of the Agreement or any anniversary date occurring thereafter.

- (b) Whenever notice is given for changes, the nature of the changes desired must be specified in the notice, or not later than the first negotiating meeting unless mutually agreed otherwise.
- (c) The existing provisions of the Agreement, including this article, shall remain in full force and effect until a conclusion is reached in the matter of proposed changes.
- (d) Unresolved issues or disputes arising out of the failure to negotiate a renewal or modification of this agreement may be submitted jointly or unilaterally by the parties to this Agreement to an impartial arbitrator selected from a list provided by the American Arbitration Association. Selection of the arbitrator from the list provided by the American Arbitration Association shall be carried out in accordance with the rules of the American Arbitration Association. The arbitrator's decision shall be final and binding on both parties to this Agreement. The expense of the arbitration shall be borne equally by the Employer and the Union. The impartial arbitrator shall not have the authority to amend or modify this Agreement or establish new terms and conditions under this Agreement. The impartial arbitrator shall determine any questions of arbitrability.

- (e) When a case has been submitted to arbitration it shall be the responsibility of the negotiating committee to continue to meet weekly in an effort to reach a settlement on the local level prior to the arbitration hearing.
- (f) Notice by either party of a desire to terminate this Agreement shall be handled in the same manner as a proposed change.

Section 1.03 This Agreement shall be subject to change or supplement at any time by mutual consent of the parties hereto. Any such change or supplement agreed upon shall be reduced to writing, signed by the parties hereto, and submitted to the International Office of the IBEW and the Employer for approval, the same as this Agreement.

Selection of the arbitrator from the list provided by the American Arbitration Association shall be carried out in accordance with the rules of the American Arbitration Association. The arbitrator's decision shall be final and binding on both parties to this Agreement. The expense of the arbitration shall be borne equally by the Employer and the Union. Section 2.15 Local Unions 443 & 558 are a part of the International Brotherhood of Electrical Workers, and any violation or annulment by an individual employer of the approved agreement of this or any other Local Union of the IBEW, other than violations of paragraph two (2) of this Section, will be sufficient cause for the cancellation of his Agreement by the Local Union, after a finding has been made by the International President of the Union that such a violation or annulment has occurred.

The subletting, assigning or transfer by an individual employer of any work in connection with the electrical work to any person, firm or corporation not recognizing the IBEW or one of its Local Unions as the collective bargaining Representative of his employees on any electrical work in the jurisdiction of this or any other Local Union to be performed at the site of the construction, alteration, painting, or repair of the building, structure or other work will be deemed a material breach of this Agreement.
