What to expect:

The Chef will arrive to your home or place of escape approximately two hours before your scheduled dinner time, to set your table and prepare your romantic meal. Someone will need to permit entrance of the chef into your home as arranged. Chef Jason will bring his own cooking equipment & dinnerware. All that is asked that kitchen, countertops, and dining table are clear to allow space for Chef Jason to create your meal & experience. Dinner will be served at your scheduled time. Once all courses are served, the chef ensure kitchen is properly cleaned! So take it all in, unwind, enjoy one another's company while The Gourmet Touch ignites your special evening!
