

LCD Price Guide Sep'24 (All prices Include Vat)

Before visiting service centre:

- ❖ Back up your in advance, delete personal data after the back is complete, and remove the device's lock screen password. If you can't back up, let the service know that you do not want to lose your data.
- ❖ Remove the SIM card(s) and the SD card.
- ❖ Disable Find My Device, and log out of your Samsung account.
- ❖ If maintenance mode is available on the device, enable maintenance mode as well.

TERMS & CONDITIONS:

Screen Protector Removal: To accurately assess your device, we will need to remove any screen protectors. If you'd like, we can provide a replacement screen protector at a cost of R199 each.

Data Responsibility: While we take the utmost care with your device, we cannot be held responsible for any loss of personal data. Please ensure that all important data is backed up before your device is assessed.

Warranty and Physical Damage: Any physical damage, such as impact or liquid exposure, will void the manufacturer's warranty. In such cases, the device will be considered out of warranty, and we will provide you with a quote for the necessary repairs.

Assessment Fee: An assessment fee is required for all out-of-warranty repairs when the device is booked in. The assessment fee is not refundable.

Payment for Out-of-Warranty Repairs: For all out-of-warranty repairs, payment must be made upfront before any parts are ordered or repair work begins.

Damage Report Fee: A fee is applicable for any damage report that needs to be submitted to an insurance company.
