INNOVATORS. CREATORS. PROBLEM SOLVERS

Since 2010, we've been crafting innovative beverage solutions to help businesses like yours stand out. From bubble tea essentials to mocktail syrups and iced teas, our brands—Bubble Tea House Company, Wild Monk, Teaforia, and our newest addition, Bobbi + Archie—reflect our passion for quality and creativity.

Sustainability and quality are at the heart of what we do, with eco-friendly practices and certified products you can trust. Whether it's a signature recipe or a custom solution, we're here to bring your ideas to life.

Thank you for exploring our catalogue. We look forward to partnering with you!

Warm regards,

Diana & Paul

INSPIRED

Crafting innovative beverage and food solutions, we focus on powder formulations and custom projects to elevate your menu offerings

Bespoke solutions— making ideas real.

At Zacely, we specialise in creating bespoke beverage and food solutions tailored to your brand. Our expertise lies in crafting exceptional beverage powders, including bubble tea, iced teas, mocktails, and protein powders—both vegan and whey-based. We also excel in developing soft serve ice cream powders, topping powders like jellies, panna cotta, and crème brûlée, as well as baking solutions for waffles, pancakes, and scones.

From reduced-sugar formulations and unique flavour combinations to custom packaging sizes, we deliver products that align with your vision. Our experience includes guiding clients through special projects like Ready-to-Drink (RTD) bubble tea, taking concepts from initial ideas to final prototypes. With a focus on quality and innovation, Zacely is your ideal partner for creating signature products that stand out in any market.
