Cove Edge Top - Milan Leg

660C

Curved Face Sideboard

Cove Edge Top - Milan Leg

Flat Panel Door

60 W x 38 1/2 H x 18 1/2 D

660C uses European style hinges which make the doors appear to float in their opening showing no visible hardware when closed.

Translating our knowledge of working with steam-bent wood obtained by making chairs, we set out to design a more unique case than those from traditional cabinet makers. The curved face creates a dramatic beauty not found on standard flat front case goods, yet retains all the function of a standard case.
