## We Can Do It and Have Fun

Greetings Ladies of the Mesquite Club!

Happy May Day! This is traditionally a very joyous day for the workers of the world.

We have been remarkably busy bees, and we're still busy with a very ambitious May calendar. We certainly know how to put the fun into fundraising. The April 1st **"Most Elegant Tea Event"** for Community Service was amazing! Thanks to Chris White, Cathi Poer, and their committee members and angels' efforts. The event was beautiful, well attended, and successful. The Las Vegas Natural History Museum should be pleased with the check we present them at the Closing Luncheon.

Fine Arts Day went off smashingly! The presentations and interactions among the guest artists and Club member artists with attending guests were wonderful. All was orchestrated beautifully by Brenda Kostick and her committee. Congratulations ladies! A repeat performance has been requested!

Moving on to another super-fun event, The Helldorado Parade is on May 13. Even with a fractured wing, Chair Peggy Bruhns, has assembled a fabulous group to participate and is fine tuning the details. The more the merrier so, please contact Peggy if you would like to join in the fun. We have two vintage cars to accommodate those members that do not want to walk the 1.5-mile route. As you can see, May is going to be a busy month with installations and closing luncheons. These events are so gratifying since they exhibit what we have worked toward all year.

May 5, we have a **"Music in Memoriam"** event to honor our lost sisters. May 19 is the Closing Luncheon. With a name **"First We Fiesta, Then We Siesta,"** how can this not be fun!

I urge you to try to attend as many as the events that you can. Not seeing your lovely smiles for three months while we take our summer break is quite sad for me. May Day is called Lei Day in Hawaii, so, Happy Lei Day and Aloha for now!

*Frankie Chase Segel*

# EVENING LETTER; EVENING SLATE

A busy Club year is ending. It has been a year of fun, laughter, and financial success together with old and new friends.

A Halloween bunco and a Superbowl bunco were good fun!

The Holiday Craft Auction was the most financially successful yearly event since its inception. A delightful evening of dinner, raffles, and auction was held in the sold-out Clubhouse.

The Clubhouse overflowed with wonderful treasures for the yearly rummage sale. The proceeds from the rummage sale will provide the funds for ongoing Clubhouse expenses.

The candidates for the three college scholarships were outstanding and deserving. Three amazing young women were chosen and recognized on April 18, 2023.

Four local charities gave wonderful presentations requesting to be chosen as the recipient for the 2023 Holiday Craft Auction. All charities were very deserving. The membership voted to give our Holiday Craft Auction support to the Community

Counseling Center. This organization addresses the need for affordable mental health and professional behavioral health services in a safe environment.

This Club year is ending with six new members. We welcome these ladies and look forward to many special times together.

The slate of Evening Mesquite chairs for the new Club year 2023-2024, beginning in September, were elected on April 18, 2023. Installation of new members and chairs will be on May 16, 2023.

On May 2, 2023, we will plan and schedule our business meetings and special events for the new Club year.

## DID YOU KNOW?

*1948 – Membership had risen to 196. Politicians asked to speak at the Club, but their requests were voted down. The rule remains to this day.*

See you in September!!!

# Legislative Action Center

*to sign up for issues that concern you.*

The Legislative Action Center is a powerful tool for GFWC's public issues and advocacy efforts by tracking bills, contacting local representative and taking action on issues germane to GFWC Resolutions.

Many domestic violence shelters and rape crisis centers are forced to turn away victims or delay counseling because of a lack of resources. GFWC members should urge Congress to increase funding in its FY 2024 appropriations bills for services to victims of domestic violence and sexual assault through programs authorized in the Violence Against Women Act (VAWA), the Family Violence Prevention Services Act (FVPSA), and the Victims of Crime Act (VOCA). These programs are cost-effective and lifesaving.

The Centers for Disease Control (CDC) 2022 National Intimate Partner and Sexual Violence Survey shows that one in four women and one in ten men have experienced contact sexual violence, physical violence, or stalking by an intimate partner during their lifetime. Research indicates that programs that teach young people healthy relationship skills such as communication, effective managing feelings, and problem-solving can prevent violence. Hopefully, these skills can stop violence in dating relationships before it occurs. If our children are to face a future free from sexual violence, the Rape Prevention and Education program funding must increase significantly.

The National Domestic Violence Counts Census found that in just one day during September 2022, while more than 79,335 victims of domestic violence received services such as shelter, housing, legal advocacy, transportation, and other services to help them escape abuse and rebuild their lives, more than 12,600 requests for services went unmet due to lack of funding and resources. Most of the staff shortages were direct service staff, including counselors, advocates, and especially children's advocates. Given reduced funding and staff, local programs had to reduce or completely eliminate countless services, including emergency shelter, legal advocacy, and counseling. So many survivors were trapped in their homes during COVID. Call volume to the National Domestic Violence Hotline reached historic levels in February 2022, nearly doubling compared to 2021.

Attention to campus and military, sexual assault, and high-profile cases has meant more victims have come forward needing recovery services. According to a 2022 survey by the National Alliance to End Sexual Violence, the nation's 1,500 sexual assault programs often lack the resources to meet victims' most basic needs; over 70 percent of programs saw an increased demand for services. Over 43 percent of programs report a waiting list for services, and 45 percent lacked a therapist on staff. Prevention and education programs are so important in each community. Short and long-term services must be available to help victims recover.

## Dearest Rummage Sale Volunteers!

Congratulations on your making this the most successful Rummage Sale to date. The Club budget reflected for us to net \$10,600. Our actual gross was \$12,258 with \$340 in expenses. Our net is \$11,918! A special thank you to our caretaker, Scott Missen, who took care of the set-up, marketing, street signs, the teardown, and much more in between.

A Huge Thank You to Don Baker who worked tirelessly all day, both days, to sell all the outdoor items. And here is to Chris' husband, Jerry, and Linda Shapona's husband, Mark. Wow did those two men ever show their support by working so hard before and during the sale. A Big thanks to Joan Doubrava and Cathi Poer for their expertise in the Boutique. Also, six staff members from Foster Kinship volunteered with us on that busy Friday morning. A sale like this event could not happen without the generosity of our members, their neighbors, friends, and family. Through the road construction and the wind, the customers came, and they bought. We had volunteers that were shop-a-holics and purchased great merchandise at reasonable prices. We appreciate all the food, sorting, pricing, marketing, and purchasing. We were able to also donate to *Foster Kinship, US VETS, Dress for Success, Doris French Elementary School, Little Free Reading Libraries, an Eagle Scout Program, our Eyeglass Drive, a homeless clothing drive at the Whitney Library, plus donated items were perfect for our Club's fundraising activities.* Rumor has it we can look forward to another sale next March! Let us know if you would like to be on the 2024 Rummage Sale Committee.

Thank you and, again, Congratulations on a most profitable sale!

# WHAT'S THE BOARD UP TO?

MESQUITE CLUB EXECUTIVE BOARD MEETING – April 4, 2023

**Call to order:** President Frankie Segel called the meeting to order at 10:05 a.m. with the secretary present. President Segel led the Pledge of Allegiance to the Flag.

**President's Report:** President Segel commented we are in the home stretch and have accomplished our mission for the Club year. She is gratified that the name of the Club has appeared in local media in a good light, and there are more activities to come. President Segel welcomed 1st Vice President Peggy Bruhns back to active status after an unplanned hiatus recovering from a fall.

**Treasurer:** Corinne Mewhirter distributed copies of the March Balance Sheet and Profit and Loss Comparison reports. Corinne stated that the income from the Ways and Means events and new member's dues payments have helped to decrease a deficit in our budget.

**Building Chair:** Cherie Williams DeWitt reported that she and Club member Jenny Durant looked for a new refrigerator at restaurant supply stores in March. They selected a business model at Cresco Resco. Evening Group and Poker Club will share it. The cost of the refrigerator at \$2,129.00, including delivery and removal of the old one, was a discounted price at the store and less than the amount authorized by the Board. In addition, Cherie reported that she had contacted the Water District Construction Manager and requested that they allow unfettered access to the Club on certain dates, and it has been provided. While the anticipated completion date for construction in St. Louis Avenue is mid-April, Cherie decided to re-schedule the outdoor Craft Fair that had been planned for May 6, 2023. Cherie will post a retraction of announcements for the Fair that were placed on social media.

**Evening Group:** Cheryl Musser reported that the group had collected items for donating to two community entities. They filled 45 bags with hygiene items for the Nevada Partnership for Homeless Youth and 20 baskets with items for Betterment Housing Housewarming Baskets for welcoming veterans.

**Nominating Committee:** Committee Chair Mickey Pajor reported that the slate, of officer nominees is complete but the committee was unable to fill the slate of nominees for the nominating committee election. Only two nominees were secured to be on the slate requiring nine nominees per Club bylaws. Mickey stated that two members of the current committee are willing to have their names on the slate but board action is required. Micky brought a motion, "I move that Sylvia Phillips and Linda Zesiger be approved to serve an additional term as Nominating Committee members if elected – 2023-2024". Motion adopted. Mickey brought an additional motion for an officer currently serving her third year in a position. "I move that Cherie Lee Williams-Dewitt be approved to serve an additional term as Building Chair - 2023-2024". Motion adopted.

**Ways and Means:** Chair Linda Zesiger stated she was pleased that the Hawaiian Luau luncheon was well received and that the profit was \$1,799.00. She suggested the theme is one that may be successfully used for events next Club year.

## **New Business:**

**Helldorado Parade** – Plans are progressing for the Club's participation in the parade. President Segal asked that we let the committee know if we choose to ride in an antique car or walk and hand out roses or carry the Club banner. The parade date is May 13, 2023.

**Clubhouse deep cleaning.** - After discussion it was decided to continue having periodic deep cleaning of various areas of the Club house. The person performing the cleaning in the past will be contacted for this task six times a year or as needed.

**New signs.** - Four new No Trespassing signs in large print were purchased by Scott Missen, custodian. The Board agreed that two signs should be placed in the front of the building on the two gates, the other two will be placed on the wall in the rear of the property.

**Meeting adjourned at 11:40 a.m.**

## Notes from your editor.

Happy May,

As the Club year winds down, the work that we do does not. As your GFWC Nevada State President, I am planning events that will give you more information about GFWC, and what you can do to take advantage of your affiliation with GFWC. As a member of the Mesquite Club, you are a member of GFWC.

The General Federation of Women's Clubs is an International women's organization dedicated to community improvement by enhancing the lives of others through volunteer service. Collectively, we are 60,000 strong, Living the Volunteer Spirit. If you are traveling, or if you move to another state, and want to connect with other Clubs, most times, you can find a Club in the local area.

We are part of a sisterhood who works to improve lives in our community. Congratulations and thank you for your hard work.  
Yours in Federation Friendship,  
Cherie Lee Williams-DeWitt
