## CONGRATULATIONS TO MANY SERVING WILLINGLY AND ACHIEVING DURING JULY

GFWC Nevada, under the direction of GFWC Ways and Means chairman, Carol White, hosted "The Sun, Moon and Stars" luncheon and Fashion Show on July 13. How enjoyable to be able to support GFWC, Nevada, sharing lunch with our friends and watching our own willing models, as they wore the lovely fashions from Macy's, with Macy's own Personal Shopper, Sharon Leonette, narrating the show.

Start counting the days! Sophia Hesbon, Vice-President and Program Chairman has our 1996-1997 Program-Membership Book at the printers. Look forward to exciting and informative programs and some new "additions" to our Program Book this year.

The Junior Mesquite Club utilized, to their financial advantage, our Club House on July 26-27 for a Trash and Treasure Sale. Ways and Means Chairman, Patti Paluzzi assisted by Bobbi Jo Lauderdale and their committee proved, "One Man's Trash is Another's Treasure." The re-decorating of the Mesquite Club bathrooms is in their project plans for this year.

I attended the meeting of the Committee for Mesquite Club History, chaired by Kay O'Gorman. This brief meeting with this committee excited me very, very much. What a heritage our Mesquite has and those founding members elected to have Mesquite Club become a member of GFWC the year following their organization. You will be hearing more about this project, capably being directed by Kay and a dynamic committee. Kay is very much in need of the requested response from many Past Presidents. If you have been remiss in responding to Kay's letter, please do so NOW. If you are in doubt as to the type of information needed for this history, please call Kay and she will be happy to tell you what is needed. We need our history recorded. GFWC President, Faye Dizzinger's special project is built around the theme. "Celebrate Women: Past, Present, Future." Our history is needed for the present and the future.

Kudos to member Pat McNutt, on her retirement from Director of First Presbyterian Academy. What a life of Serving, years of serving as a registered nurse, as executive with Frontier Girl Scouts Council, 28 years teaching in the Clark County Public Schools and following, as Director of the Academy. We are proud of Pat and wish her and her husband every happiness in retirement.

The Evening Mesquite Ways and Means Chairman, Kay McCauslin and her committee hosted a salad luncheon on August 3. Social time and cards followed the bountiful luncheon and resulted in a fine financial boost to our Treasury. It was a delightful afternoon.

Our Rose Garden Liaison, Flo Mlynarczyk and Junior Mesquite member Sheila Scarborough, who is our Rose Garden Liaison trainee, recently met with Councilman Michael McDonald. Councilman McDonald exhibited interest and concern regarding the Rose Garden in Lorenzi Park and assured Flo and Sheila of his assistance in anyway that was needed. Most recently two loads of rock have been added to the Rose Garden and approximately 20 rose bushes replanted. Serving willingly for twenty plus years, Flo, please know you are appreciated! We thank you, Sheila, for volunteering so willingly to train for this long time project, that we are so proud of, which requires continual supervision.

PATIENCE IS A VIRTUE—The Ad Hoc Decorating and Building Improvement Committee continues to be at the mercy of an apparently committed architect. Please be patient with your committee.

Enjoy a Safe and Relaxing Labor Day and please remember, GFWC WOMEN VOTE! September 3 is Election Day.

Lovingly,

*Beverly*
