PRESIDENT'S MESSAGE

“Let us forget, not to be kind.”

Greetings,

Mark Twain once said that the first of April is the day we remember what we are the other 364 days of the year. I cannot believe we are already preparing for our April events. Time has certainly marched on and along with it, finally some milder weather. April events include Fine Arts Day, April 5 and the Community Service Luncheon, “*Bee the Change*” on the 12. Sue Churchill will be busy as a bee for the first few weeks of the month. We know that whatever she is preparing for us, it will be done with great aplomb, and of course, will showcase her tremendous creativity. On April 19, we will be getting back to serious business when we hold elections. Please remember that we do take nominations from the floor, but one must first have permission from the nominee.

Another very important event coming up in April is the GFWC Convention, being held on April 13, in our Clubhouse. Information and registration forms are attached to this newsletter. Please consider attending this informative conference. I'll be there bragging about the wonderful work that you have accomplished this year. Speaking of wonderful work, congratulations go out to Elsa Torgerson and her troupe of Leprechauns on their successful live auction and luncheon, held last week and benefiting Ways and Means.

This has been a sad and trying time for many in our Club. Our hearts break for Kathleen Fehr, who recently lost her husband to brain cancer. If it is any consolation for those of you undergoing trial and tribulation, please remember that your Mesquite sisters are pulling for you. This must be my day for quotes. Helen Keller said, “*Character cannot be developed in ease and quiet. Only through experience of trial and suffering can the soul be strengthened, vision cleared, ambition inspired, and success achieved.*”

Lastly, from our own Mary Stewart's Collect, and the theme for my presidency, “*Oh Lord God, let us forget not to be kind.*”

Happy spring and again, I thank you for your support.

Barbara Bolling,

President

Dear members,

We need your help in maintaining our building security and the safety of our members. **PLEASE, PLEASE, DO NOT EVER GIVE FOOD OR MONEY** to anyone coming to one of the building doors or in the parking lot!

DO NOT EVER ALLOW ANYONE IN THE BUILDING WHO DOES NOT HAVE BUSINESS THERE.

We all have kind hearts and when someone seems to be in need, it is natural to want to help. However, when our local homeless population sees a handout being given from our building, they believe this is a public or commercial place to receive free food or other assistance. They must understand that our Clubhouse is private property – just like your own house, and not a place to receive assistance. If you want to give, give to one of the local homeless assistance organizations such as the Las Vegas Rescue Mission.

Recently, food was given to someone coming to the door, and we now have people approaching us every week for the last three weeks. The last one announced he was coming in to heat up his food in our microwave!

It is dangerous both for the building security and member safety to have strangers inside the building. Until we installed the gates, there were constant problems with people using our property as a place to sleep, bathe, relieve themselves and steal things. Now, fortunately, we are usually getting approached only when the gates are open.

This is a serious safety issue: please don't let your kind impulses overrule your sense of personal safety. Help keep everyone safe and our property protected!

Thank you for your support with this issue,

Cathi Poer,
Building Chairman

WE CARE!

Our hearts and prayers go out to Kathy Fehr, as you all know her husband lost his battle with brain cancer. Kathy is always there for us, let's show her that we are there for her. We love you Kathy, let us know if there is anything that you need! Love from your Mesquite Club Sisters!

Cherie's husband, Clyde, has started his radiation treatment for returning prostate cancer. Thank you for your good thoughts, so far so good. Sending prayers Joan Dimmit dealing with cancer as well. You are in our thoughts!

EVEING CHAIR LETTER; TIME TO RENEW YOUR DUES!

Greetings Evening Mesquite Club friends and supporters!

We've all been on quite a busy schedule as of late, managing meetings, events and commitments with family and friends. This month I challenge you to be mindful of our

Mesquite Club collect, a portion of which reads, "Let us take time for all things; make us to grow calm, serene, gentle." Let us reflect on all that we give back to our community and the friendships we have made through our Club. May you find comfort in the familiar faces, strive to share our traditions with others and invite new friends into the fold to honor our commitment to community.

Now to acknowledge our success of the past month: A huge congratulatory high five to Connie Macauley and the volunteers who worked our Annual Rummage Sale at the clubhouse Friday, March 1, through Sunday, March 3. The Rummage Sale netted \$7,355.18! Combined with the two-day Rummage Sale in June that netted \$3,495, the total raised from rummage sales this year was \$10,850.18! Truly a solid return on our annual fundraising effort. Thank you to all who made it possible.

We have selected our 2019 Holiday Craft Auction grant recipient: HopeLink of Southern Nevada, and are excited to work with them in the coming membership year as we prepare our largest philanthropic program, benefiting them and our Public Education Foundation college scholarship for young women in Nevada. HopeLink offers a wide continuum of stabilization and educational services for individuals, families, and seniors. Thank you to Jane Reid and the contributing members who helped organize the review of applicants and narrowing down our finalists to present. We learned about some excellent new community service programs and revisited some familiar ones to arrive at this year's choice.

Thank you also, Toni Babbish for chairing our Scholarship Committee and to those of you who are reviewing and scoring college applicants for our scholarship program. Looking forward to awarding the recipients at our April 23 meeting.

See you at our next meeting on April 2 — which is also the municipal election primary night!

All my best, Melissa

Spring is here! YEAH!

I love springtime, it is a time for Renewed energy for me, and boy do I need it.

Please enjoy the newsletter; there is a lot of information about all of the exciting things that we have going on. You may notice that I have included a notice from the Embracing Project mentor training. It is in the evening, but if there are enough members

interested, I may be able to get them to do a training at our Clubhouse during the day. I think that this training would be a good thing to understand more about how to become a mentor and help these young people as they attempt to recover from their struggles. Let me know if you are interested in the training.

Thank you all for your support as Clyde and I travel this journey to get rid of his prostate cancer. Please join me in my prayer to get rid of cancer in our lifetime. It breaks my heart to see so many good people suffering. You never know what people are dealing with. Sometimes the people with the biggest smiles are struggling the most. Remember our presidents theme, *"Oh Lord God, let us forget not to be kind."* **Cherie Lee Williams-DeWitt**
