About Us

For 112 years the Mesquite Club has been dedicated to improving our community and the lives of its citizens by promoting education and culture and providing a helping hand to those in need.

The Lives We Impact

Mesquite Club offers women an opportunity to make a difference in the community, to form lasting friendships and to pursue life-long learning opportunities. We support services for women and children and other demographics in need through education, financial giving and donations.

Meetings and Social Activities

We have a day and evening group that meet on a regular basis at our clubhouse on East St. Louis and 6th Avenue.

The Daytime Groups meets three Fridays a month. The Evening Group meets the first and third Tuesdays of each month. There are also additional social activities in which members can participate.
