Our Services

Electrical Installations

At **TechnoFix**, we offer a comprehensive range of electrical services across residential, commercial, and industrial sectors. Whether your project requires renovation, new installations, or remodeling, our expert team delivers reliable and efficient solutions tailored to your needs.

Our contracting services include:

- **Power Distribution** – Efficient and safe electrical distribution systems for all project scales.
- **Lighting & Lighting Control Systems** – Smart lighting solutions for enhanced performance and energy efficiency.
- **Energy Management Systems** – Optimizing energy usage for cost-effective and sustainable operations.
- **Service Upgrades** – Enhancing electrical systems to meet growing demands and modern standards.
- **Maintenance Contracts** – Ensuring long-term reliability and performance of electrical installations.
- **Design-Build Services** – Turnkey electrical solutions from concept to execution.

Our Services

Lighting Installations

At **TechnoFix**, we leverage our extensive expertise in lighting to approach every project with professionalism and technical precision. Our goal is to ensure that your lighting project is not only technically sound but also visually striking. Our comprehensive lighting installation services include:

- **Façade Lighting Installations** – Expert solutions for all types of architectural and commercial projects.
- **Indoor & Landscape Lighting Installations** – Enhancing interiors and outdoor spaces with precision lighting.
- **Assembly & Installation of Large Chandeliers** – Safe and efficient handling of complex chandelier installations.
- **Lighting Control System Integration & Programming** – Smart lighting solutions for enhanced efficiency and automation.
- **Lighting Shop Drawings & As-Built Drawings** – Providing detailed technical documentation for seamless project execution.
- **Lighting Project Testing & Commissioning** – Ensuring optimal performance and functionality of installed systems.

Our Services

Maintenance & Retrofit

At **TechnoFix**, we ensure that lighting systems remain efficient, reliable, and up to date with the latest technologies. Our maintenance and retrofit services help extend the lifespan of lighting installations, enhance energy efficiency, and reduce operational costs.

Our services include:

- **Routine Maintenance & Inspections** – Preventive maintenance to keep lighting systems in optimal condition.
- **LED Retrofits & Upgrades** – Replacing outdated lighting with energy-efficient LED solutions.
- **System Troubleshooting & Repairs** – Identifying and resolving lighting system issues promptly.
- **Smart Lighting Upgrades** – Integrating advanced lighting control systems for automation and efficiency.
- **Code Compliance & Safety Upgrades** – Ensuring lighting systems meet the latest industry standards and regulations.

Our Team

At **TechnoFix**, our success is driven by a team of highly skilled professionals with extensive experience in electrical contracting and lighting installations.

We take pride in our commitment to quality, innovation, and customer satisfaction, ensuring that every project is executed with precision and excellence.

With a strong foundation in technical expertise, problem-solving, and customer service, our team works collaboratively to deliver projects that meet and exceed expectations.
