EXPERIENCE

I have been DJing professionally since 2004 and do roughly 25 weddings a year, 10 dances a year, and multiple other events on a yearly basis.

REQUIRED MEETINGS?

No, I do not require one. I have a questionnaire that I will send to you electronically if you officially book the date. All the information that I will need from you is on that questionnaire. However, I am more than willing to meet with clients should they feel the need to do so.

Regularly Asked Questions and Answers

WHAT MUSIC IS PROVIDED?

The DJ will likely have available any regularly requested and “mainstream” songs since the 60’s. Also, if songs are requested in advance with the questionnaire, those songs are guaranteed to be available and played. Rarely is music requested that Dewitt DJ Services does not have in their catalog.

DOES THE DJ TAKE REQUESTS?

Yes. Song request cards will be provided and guest may speak directly to the DJ as well. However, the DJ does reserve the right to not play a request if the DJ feels it is inappropriate or will likely not go over well with the crowd and event.

DOES THE DJ USE A SPECIFIC PLAYLIST?

No, the DJ will arrange his playlist based on the crowd demographics, requests, and what types of music seem to be getting the best crowd reactions.

DOES THE DJ REQUIRE A MEAL?

If meal is being provided for the guests, please include one for the DJ. He will eat at his DJ table.

WHEN WILL THE DJ ARRIVE AT THE VENUE AND BEGIN HIS SET UP?

The DJ will arrive roughly 1.5 hours before the contracted starting time of your event. The DJ will have the set up completed and be ready to play before any guests arrive.

WHEN WILL THE DJ COMPLETE HIS TEAR DOWN AND BE EXITING THE VENUE?

Roughly 45 minutes after the last song is played.

WHAT WILL THE DJ BE WEARING?

Dress shirt, dress pants, and tie... Mostly black clothing.

WHAT DOES THE DJ NEED AT THE VENUE?

The DJ needs a single 6 or 8 foot, skirted table set up in the location that the customer would like DJ to set up his gear. That location needs to be within 20 feet of an outlet for a power source.

WHAT SERVICES ARE PROVIDED BY THE DJ?

Dinner/cocktail background music, emceeing, dance music, dance lighting, and cordless microphones.

IS A SECURITY DEPOSIT REQUIRED TO HOLD THE DATE?

No. Just official documented confirmation that you would like to book the date.

DOES THE DJ REQUIRE ANY BREAKS?

The DJ does not require any breaks.

HOW MUCH WOULD IT COST TO HAVE THE DJ PLAY BEYOND THE CONTRACTUALLY STATED TIME?

\$50 per hour is required (paid in full at the event) for the DJ to play beyond the agreed upon ending time.

RATES?

My rates depend on the event type, the event duration, and the location/venue where the event is taking place. Travel distance, time, and expenses may factor in to the final quote for the event.
