Chief Amaru Namaa Taga Xi-Ali (ARNA National),  
Plaintiff,

Vs

Lidia Abraha (IPA Member) *et al*,  
Defendant.

**DEFAULT FINAL JUDGMENT**

1. Plaintiff filed a Complaint of defamation and an emergency request for a Temporary Restraining Order against Defendant on January 24th, 2025.
2. Plaintiff submitted direct message evidence of Defendant making serious allegations against Plaintiff to an ARNA National, of “virtual rape”, hacking of womens’ personal devices, and demands for ransom money in exchange for stolen private videos.
3. Upon review of emails received from Defendant over the last two months, Defendant has also made claims against Plaintiff of theft of intellectual property related to the ARNA Birthworkers course, and of unlawful courting and sexual practices.
4. At no point did Defendant offer material evidence to the Court, or any other known person, that would tend to prove her allegations to be true.
5. A Temporary Restraining Order was issued against Defendant on January 24th, 2025, requiring her to cease communicating allegations against Plaintiff to people outside of the case, as the Court was investigating the matter privately.
6. Defendant violated the restraining order, with multiple instances of reports being brought to the Court proving that Defendant was still messaging other ARNA Nationals about her allegations against Plaintiff without having proven her case.
7. Due to the extreme nature of the allegations being made against Plaintiff by Defendant, Defendant was ordered to respond to Plaintiff’s complaint with evidence supporting her allegations by 11:59pm EST on January 27th, 2025.
8. Defendant did not submit any material evidence to support her allegations.
9. Defendant did submit an alleged voicemail recording that she claimed was Plaintiff in disguise cursing her or her sister out. The recording was of a woman’s voice, and the speaker did not cuss out the receiver of the message as was alleged by Defendant in the email containing the recording. This document of evidence is inadmissible due to irrelevance and lack of reliability.
10. Defendant did submit a .txt document purported to be an email transcript of a ransom note from Plaintiff to Defendant’s sister. This document of evidence is inadmissible

due to a lack of reliability.

11. Defendant has continued, since the onset of this case, to use ad hominem attacks against Plaintiff, but has yet to produce proof of any of her claims against Plaintiff.
12. This behavior of using disrespectful language and strange communication tactics towards Plaintiff appears to be a pattern of Defendant, as the case complaint also cited a previous interaction between Plaintiff, Defendant, and another male ARNA National, in which Defendant repeatedly insulted the other parties causing them to decline working on a business project with her.
13. Defendant has now come to the point of threatening to contact officials in the foreign venue (USA) with her allegations instead of simply addressing these claims that she originally brought to our indigenous Court and jurisdiction, stating via email *"If I have to call government officials in Atlanta and make the biggest scene you have ever seen test me. You fucked with the wrong one."*
14. In conclusion, Defendant has been noncompliant with the request and orders of the Court, and has now presented herself as a potentially higher threat to the ARNA Chief Executive and the integrity of our Nation.
15. Having arrived at this conclusion, the Court has chosen to accelerate Its decision on this matter.
16. **IT IS HEREBY ORDERED** that Defendant is **found guilty** of defamation against Plaintiff, as Defendant has breached Moral Codes 6, 7, 14, 18, 22, 32, and 37.
17. **IT IS HEREBY ORDERED** that Defendant must make an apology video to Plaintiff and a written apology to Plaintiff, which must both be posted to 1) all ARNA and IPA online groups, 2) Defendant's personal social media pages, and 3) anyone she contacted to spread defamation against Plaintiff.
18. **IT IS HEREBY ORDERED** that Defendant must pay a fine of \$5,000 in damages to Plaintiff, all for which let execution issue forthwith. This sum must be paid to Plaintiff via the National Jural Society (NJS) Cashapp fund \$XiAmaruJuralSociety, where it will be collected in escrow and distributed to Plaintiff by the NJS.
19. **IT IS HEREBY ORDERED** that **Defendant is permanently expatriated** from both the IPA and ARNA jurisdictions.
20. **IT IS HEREBY ORDERED** that all nationality credentials previously issued from either the ARNA or IPA jurisdictions to Defendant are permanently revoked. Defendant is ordered to return all previously issued nationality credentials to ARNA, all for which let execution issue forthwith.
21. **IT IS HEREBY ORDERED** that all business instrumentalities previously issued to Defendant from ARNA or the IPA are permanently dissolved.
22. **IT IS HEREBY ORDERED** that the Temporary Restraining Order issued against Defendant is now permanent. (see attached Permanent Restraining Order).
23. Parties have 20 days to appeal this Final Judgment.

**ORDERED AND ADJUDGED** this 28<sup>th</sup> day of January, 2025.
