ORDER GRANTING 7 DAY EXTENSION

***in re* Defendant's Request for a Continuance**

1. The Prosecution filed Case 81324AEM with the Court and served Defendant Ansâr El Muhammad with the Case and Offer of Plea Agreement on August 13th, 2024.
2. The Court issued an order for Defendant to respond to the Plea Offer by September 12th, 2024.
3. Defendant has requested a continuance for more time to respond, staying the case until after November 20, 2024.
4. The Court finds no grounds for why Defendant cannot file his initial pleadings in this case in a more timely manner, by simply accepting or rejecting the Plea Offer.
5. Defendant has now had approximately 30 days to **1)** notify the Court and the Prosecution of his intentions to either accept or reject the Plea Agreement, and/or **2)** notify the Prosecution of any requests to negotiate the terms of the Plea Agreement.
6. Considering the serious nature of the allegations, including Treason on the ARNA jurisdiction, and considering that Defendant has been ordered to cease and desist his jurist operations, the Court finds that it is in all parties best interests for Defendant to address this matter sooner rather than later.
7. **IT IS HEREBY ORDERED** that Defendant's Request for a Continuance is granted in part. The deadline for Defendant to accept or reject the Offer of Plea Agreement is

extended to **11:59pm EST on September 19th, 2024.**

- 8.** Failure to comply with this Order may be deemed as a default and rejection of the Plea Agreement.

ORDERED AND NOTICE GIVEN this 12th day of September, 2024.
