

Detailed Explanation of the Rewards Plan

No compensation is based on the act of head hunting or recruiting. Nu Xtrax is not an internal consumption company. Nu Xtrax is a product driven company that uses a direct and dual team compensation plan to pay its Affiliates. All commissions are based on the sale of product to the end consumer. Nu Xtrax thrives on customer acquisition of true end consumers; these are required and are called Participants.

Step 1: Enroll as a Transformation Affiliate

Step 2: Get active with 20 BV

Step 3: Get qualified by Enrolling 2 Transformation Affiliates

Transformation Affiliate: an independent representative who buys a 1x or 2x Product Package or acquires 6 Participants (customers) and is *actively* involved in our mission of transforming lives.

Participant: is a customer. They are not in the dual team tree. They are connected to their sponsor by ID numbers for the sake of commissions, active and qualification requirements. They can upgrade to an Affiliate at any time by clicking onto the Affiliate Upgrade link in their back office. The sponsor can view their customers in their back office under the My Team section in the left column and then click My Participants.

Upline: Is the person who enrolled you into Nu Xtrax along with the people in the same line in the levels above you. The upline is the person who brought you into the business and his/her upline is also part of yours.

Downline: It refers to the network of members that the Affiliate or Participant has enrolled or that have joined the organization after his/her enrollment. The downline represents income for the Affiliate, as they receive a percentage of their sales.

BV: Business Volume derived from the sale of products.

PV: Personal Volume. The current month PV is the BV from your Personal Orders this month PLUS the BV from your Personally Sponsored Customers this month. PV is not necessarily volume that is in your dual team. PV is a qualification. Your personal customers' BV counts on your weak team to calculate for your dual team commission. Your personal BV counts for your upline.

Autoship: an automatic monthly recurring wholesale order. It automatically keeps you active and insures that you will never lose your position, accumulated business volume and commission checks, which cannot be recovered if lost.

Active: the Affiliate is purchasing 20 BV every 30 days (auto ship insures this is achieved). If an Affiliate goes 35 days with no 20 BV or does not have 2 personal active Participants, then that Affiliate loses their position, all accumulated business volume and commission checks, which cannot be recovered if lost. The Participant must do 20 BV per month to remain active. Note: Setting up an auto ship order is not required in order to participate. It does though automatically keep you active and insures that you will never lose your position, accumulated business volume and commission checks, which cannot be recovered if lost. You may change or cancel your auto ship at any time without penalty. However, if you do not have 2 paid participants or a personal paid order in the previous 30 days you go inactive.

Qualified: the Affiliate is active with a paid personal order in the previous 30 days or chooses to have 2 active Participants (customers) and has BV equivalent to the sale of a 1x or 2x product package on their left team and on their right team who are each also active.

Dual Team Compensation Plan: A dual team plan is a marketing compensation plan which allows Affiliates to have only two front-line Affiliates. If an Affiliate enrolls more than two Affiliates, the excess are placed at levels below the sponsoring Affiliate's front-line. This "spillover" is one of the most attractive features to new Affiliates since they need only BV equivalent to the sale of a 1x or 2x product package on their right and left teams to participate in the compensation plan. The distributors must "balance" their two downline teams to receive commissions. Balancing teams typically requires that the number of sales from one team constitute no more than a specified percentage of the Affiliate's total sales. A cycle is defined as a total of accumulated unpaid volume from both teams, where a minimum of 200 volume comes from one team, and a maximum of 300 volume comes from the other team.

District Transformation Affiliate: is active with their own order in the past 30 days and acquires 2 personal active Participants (**note: after acquiring this rank you are not required to maintain 2 active Participants**) and has 1 personal active Transformation Affiliate on one team and 1 personal active Transformation Affiliate on your other team. Extra Bonus: In addition to the multiple streams of income, a District Transformation Affiliate also receives a one-time \$125 bonus when the rank of District is achieved and it doubles to \$250 if achieved in your first 15 days with all 2x packs.

Regional Transformation Affiliate: is active with their own order in the past 30 days or acquires 2 personal active Participants and has 2 personal active Transformation Affiliates on one team and 3 personal active Transformation Affiliates on your other team. Extra Bonus: In addition to the multiple streams of income, a Regional Transformation Affiliate also receives a one-time \$200 bonus when the rank of Regional is achieved and it doubles to \$400 if achieved in your first 15 days with all 2x packs.

National Transformation Affiliate: is active with their own order in the past 30 days or acquires 2 personal active Participants and has 4 personal active Transformation Affiliates on one team and 4 personal active Transformation Affiliates on your other team. Extra Bonus: In addition to the multiple streams of income, a National Transformation Affiliate also receives a one-time \$300 bonus when the rank of National is achieved and it doubles to \$600 if achieved in your first 15 days with all 2x packs.

Silver National Transformation Affiliate- is active with their own order in the past 30 days or acquires 2 personal active Participants and has 2 new personal active Nationals embedded in your National Rank with 1 on one team and 1 on your other team, which means these 2 new personal active Nationals must have enrolled after you became National. Note: If you were already in the company prior to July 1, 2024, then you must achieve Silver with 2 new personal active Nationals who enrolled in your National code from July 1, 2024 forward. **\$2,000.00 rank up bonus if achieved in the 30 day period after qualifying as a National!**

Gold National Transformation Affiliate: is active with their own order in the past 30 days or acquires 2 personal active Participants and has 2 personal active Nationals on one team and 3 personal active Nationals on your other team. **Prestigious Ambassador Elite Status: Gold National Ambassador** receives a beautiful custom Nu Xtrax Super Bowl Style Award RING and \$10,000.00 cash bonus when 100,000 BV on weak side is achieved on preselected center for 2 consecutive months. Must maintain 100,000 BV on weak side each month on preselected center to remain qualified as a **Gold National Ambassador**.

Platinum National Transformation Affiliate: is active with their own order in the past 30 days or acquires 2 personal active Participants and has 4 personal active Nationals on one team and 6 personal active Nationals on your other team. **Prestigious Ambassador Elite Status: Platinum National Ambassador** receives a beautiful ROLEX watch and \$20,000.00 cash bonus when 400,000 BV on weak side is achieved on preselected center for 2 consecutive months. Must maintain 400,000 BV on weak side each month on preselected center to remain qualified as a **Platinum National Ambassador**. Note: A qualified **Platinum National Ambassador** has reached retirement status on the preselected center.

Diamond Platinum Transformation Affiliate: is active with their own order in the past 30 days or acquires 2 personal active Participants and has 1 personal active Gold on one side of your team and 1 personal active Gold on your other side and add 2 new personal active Nationals embedded in your Platinum Rank with 1 on one team and 1 on your other team.

Prestigious Ambassador Elite Status: Diamond Platinum Ambassador receives a beautiful one year leased BENTLEY and \$50,000.00 cash bonus when 1,000,000 BV on weak side is achieved on preselected center for 2 consecutive months and ongoing for 12 total consecutive months. Must maintain 1,000,000 BV on weak side each month on preselected center to remain qualified as a **Diamond Platinum Ambassador**. Note: A qualified **Diamond Platinum Ambassador** has reached retirement status on the preselected center.

Rank ID Embedding: You will want to achieve ranks as quickly as possible. As soon as you achieve your rank the rank bonus pay becomes ID embedded to you on any new lineages of Affiliates (representatives) who join on a date after you acquire your rank. This ID embedded rewards program enhances leadership support due to the fact that those ranking up in our program have an incentive to support Affiliate ID embedded to them. For this reason leadership reaching National ranking has a more stable rewards payout with fewer fluctuations in their rewards, and they can focus on building depth in their team with the Affiliate ID embedded to them.

Remember... having your two Participants (customers) is essential to meeting your qualifier to become District rank and thereafter is not required. Also, you must meet the same qualifiers for each center you have.

Activating and Qualifying Centers 2 and 3

If you purchased a 2x Product Package for \$598 with 220 BV, then you have 3 **dual team** centers that leverage you to triple your income potential on the same business volume. You can ACTIVATE Centers 2 and 3 anytime you want and your separate VIP YOUR FIRST 15 DAYS countdown clocks begin, so you can earn VIP BONUSES on each of them! You can also QUALIFY Centers 2 and 3 just like you do Center 1!

Here are the details on how to ACTIVATE and QUALIFY Centers 2 and 3:

To **ACTIVATE** Center 2 and Center 3, so they can start accumulating BV (Business Volume), click onto the... SELECT BUSINESS CENTER 1 2 3 that is located on your Dashboard page in your back office. Example: if you want to activate Center 2, then click onto "2" and then click onto Order Information in the left column and then click onto Manage Auto-Order to set up an autoship for that center, which will process in 30 days. (Click onto Center "3" to do the same thing when you are ready to activate it.)

You have the option to set up a separate 20 BV auto ship order in each center to be active for commissions in each center. Note: If you have more than one center, then you can access the back office of your 2nd center by putting -2 at the end of your URL. Example: www.NuXtrax.com/test-2. When you login, then it takes you to the back office of your Center 2, and you do the same for each center you have: -3, -4, -5, etc...

To **QUALIFY** Center 2 and Center 3, so they can start earning commissions, click onto the... SELECT BUSINESS CENTER 1 2 3 and begin personally enrolling people from that particular center by using the Enroll Affiliate links or use your Binary Tree under My Team in the left column or Enroll Participants (**customers with product purchases**) (Customers) link in your BACK OFFICE. Now... If you want people to enroll themselves from the front of your replicated Nu Xtrax web site by clicking onto the Affiliate or Customer links in the top right corner, then you must put a -2 or -3 at the end of your web site name when you give them your web site. Example: If I want to enroll an Affiliate from my Center 2 and my web site name is JamesBond, then I will give that person this web site: www.NuXtrax.com/JamesBond-2. Also, If I want to enroll an Affiliate from my Center 3 and my web site name is JamesBond, then I will give that person this web site: www.NuXtrax.com/JamesBond-3.

As soon as you achieve your rank the rank bonus pay becomes ID embedded to you on any new lineages of Affiliates (representatives) who make a product purchase as an Affiliate on a date after you acquire your rank. This ID embedded rewards program enhances leadership support due to the fact that those ranking up in our program have an incentive to support Affiliate ID embedded to them. For this reason leadership reaching National ranking has a more stable rewards payout with less fluctuation in their rewards, and they can focus on building depth in their team with the Affiliate ID embedded to them.

Shipping and handling prices for additional bottles:

Singles \$11, on 4 or 5 packs \$16, on 9 packs \$22. **This includes both the shipping cost and the handling cost of the professional shipping facility.**

4 or 5 items it will be the Greatest S&H on the single item S&H on the order multiplied by 1.5. So \$11 items will be times 1.5 = \$16.50, \$16 items \$24, \$22 items \$33

6 or 7 items it will be the Greatest S&H on the single item S&H on the order multiplied by 1.75. So \$11 items will be times 1.75 = \$19.25, \$16 items \$28, \$22 items \$38.50

8 or more items it will be the Greatest S&H on the single item S&H on the order multiplied by 2. So \$11 items will be times 2 = \$22.00, \$16 items \$32, \$22 items \$44

Dual Team Cycle Compensation:

In the dual tree the placement feature will allow you to automatically designate which team (LEFT or RIGHT) of your binary organization to place all of your personal enrollments. By default (ALTERNATING option), placement of personal enrollments always goes to the outer team of your organization ALTERNATING from left to right (back and forth) with the FIRST placement being placed on your WEAK TEAM and then it alternates back and forth. In addition, you may elect to place all of your personal enrollments underneath a specific person in your organization while still remaining the

sponsor. (Please go to the My Team section in your back office in the left column and click onto Update Placement to control these placement features.)
