

# THE NATIONAL BLESSING

Compassion with Compensation

# — Our Mission and Motivation

- to share iHeRQles with the world
- to create better health statistics
- to change healthcare
- to reward as many families as possible for sharing this message with the world (we cannot do this without you)
- we believe that God made us to be healthy (Life is in the blood and the building blocks of blood is food and without clean blood you cannot get well)

Our back office is meant  
to do the placement  
for you ...  
so you can focus  
on sharing!

This system is built to automatically place an Activist's initial product pack purchase in the correct structure, so that the only thing you as a new Activist on your way to National has to do is share the message of iHeRQles and how it can bring miracles to your friends' and your families' lives.

NuXtrax was put together as a vehicle to get iHeRQles, which is like no other, out to the people and create a movement of better health statistics by providing a nutritional gap support like our bodies have never received before. We believe this product is greatly needed on the planet at this time and because of our love of humanity and our belief that God made us to be healthy, everyone needs to know about it!

This company was built to create a movement. You can see that in the reward we all receive when we share it. NuXtrax has allowed payouts to reach well over half of revenue many times when most companies will cap payouts.

Sharing iHeRQles with a new person  
is simple and easy.

Either give them your website  
Which is [www.NuXtrax.com/yourusername](http://www.NuXtrax.com/yourusername)

Or take down their information and go into  
your back office and look for the button on  
the bottom left-hand side that says  
Enroll an Activist or Enroll a Participant  
and fill out the enrollment form.

# The difference between a Participant/Customer and an Activist

A participant/customer is traditionally on just one bottle with one bottle on Autoship.

They cannot earn commissions as they are just a customer. They can though acquire \$45 vouchers for future orders based on personally sharing the product with 2 Participants which earns a \$45 voucher credit every time they make a purchase and will be applied automatically towards the next auto ship.

An Activist can initially purchase a \$299 1X Product Package or a \$598 2X Product Package. An Activist has the ability to earn generous commissions if they choose to share the product.

# VIP Bonus

The VIP Bonus was created to give you the ability to make your money back on the initial product package you purchased and to more than double that amount within the first 15 days!

# VIP Structure

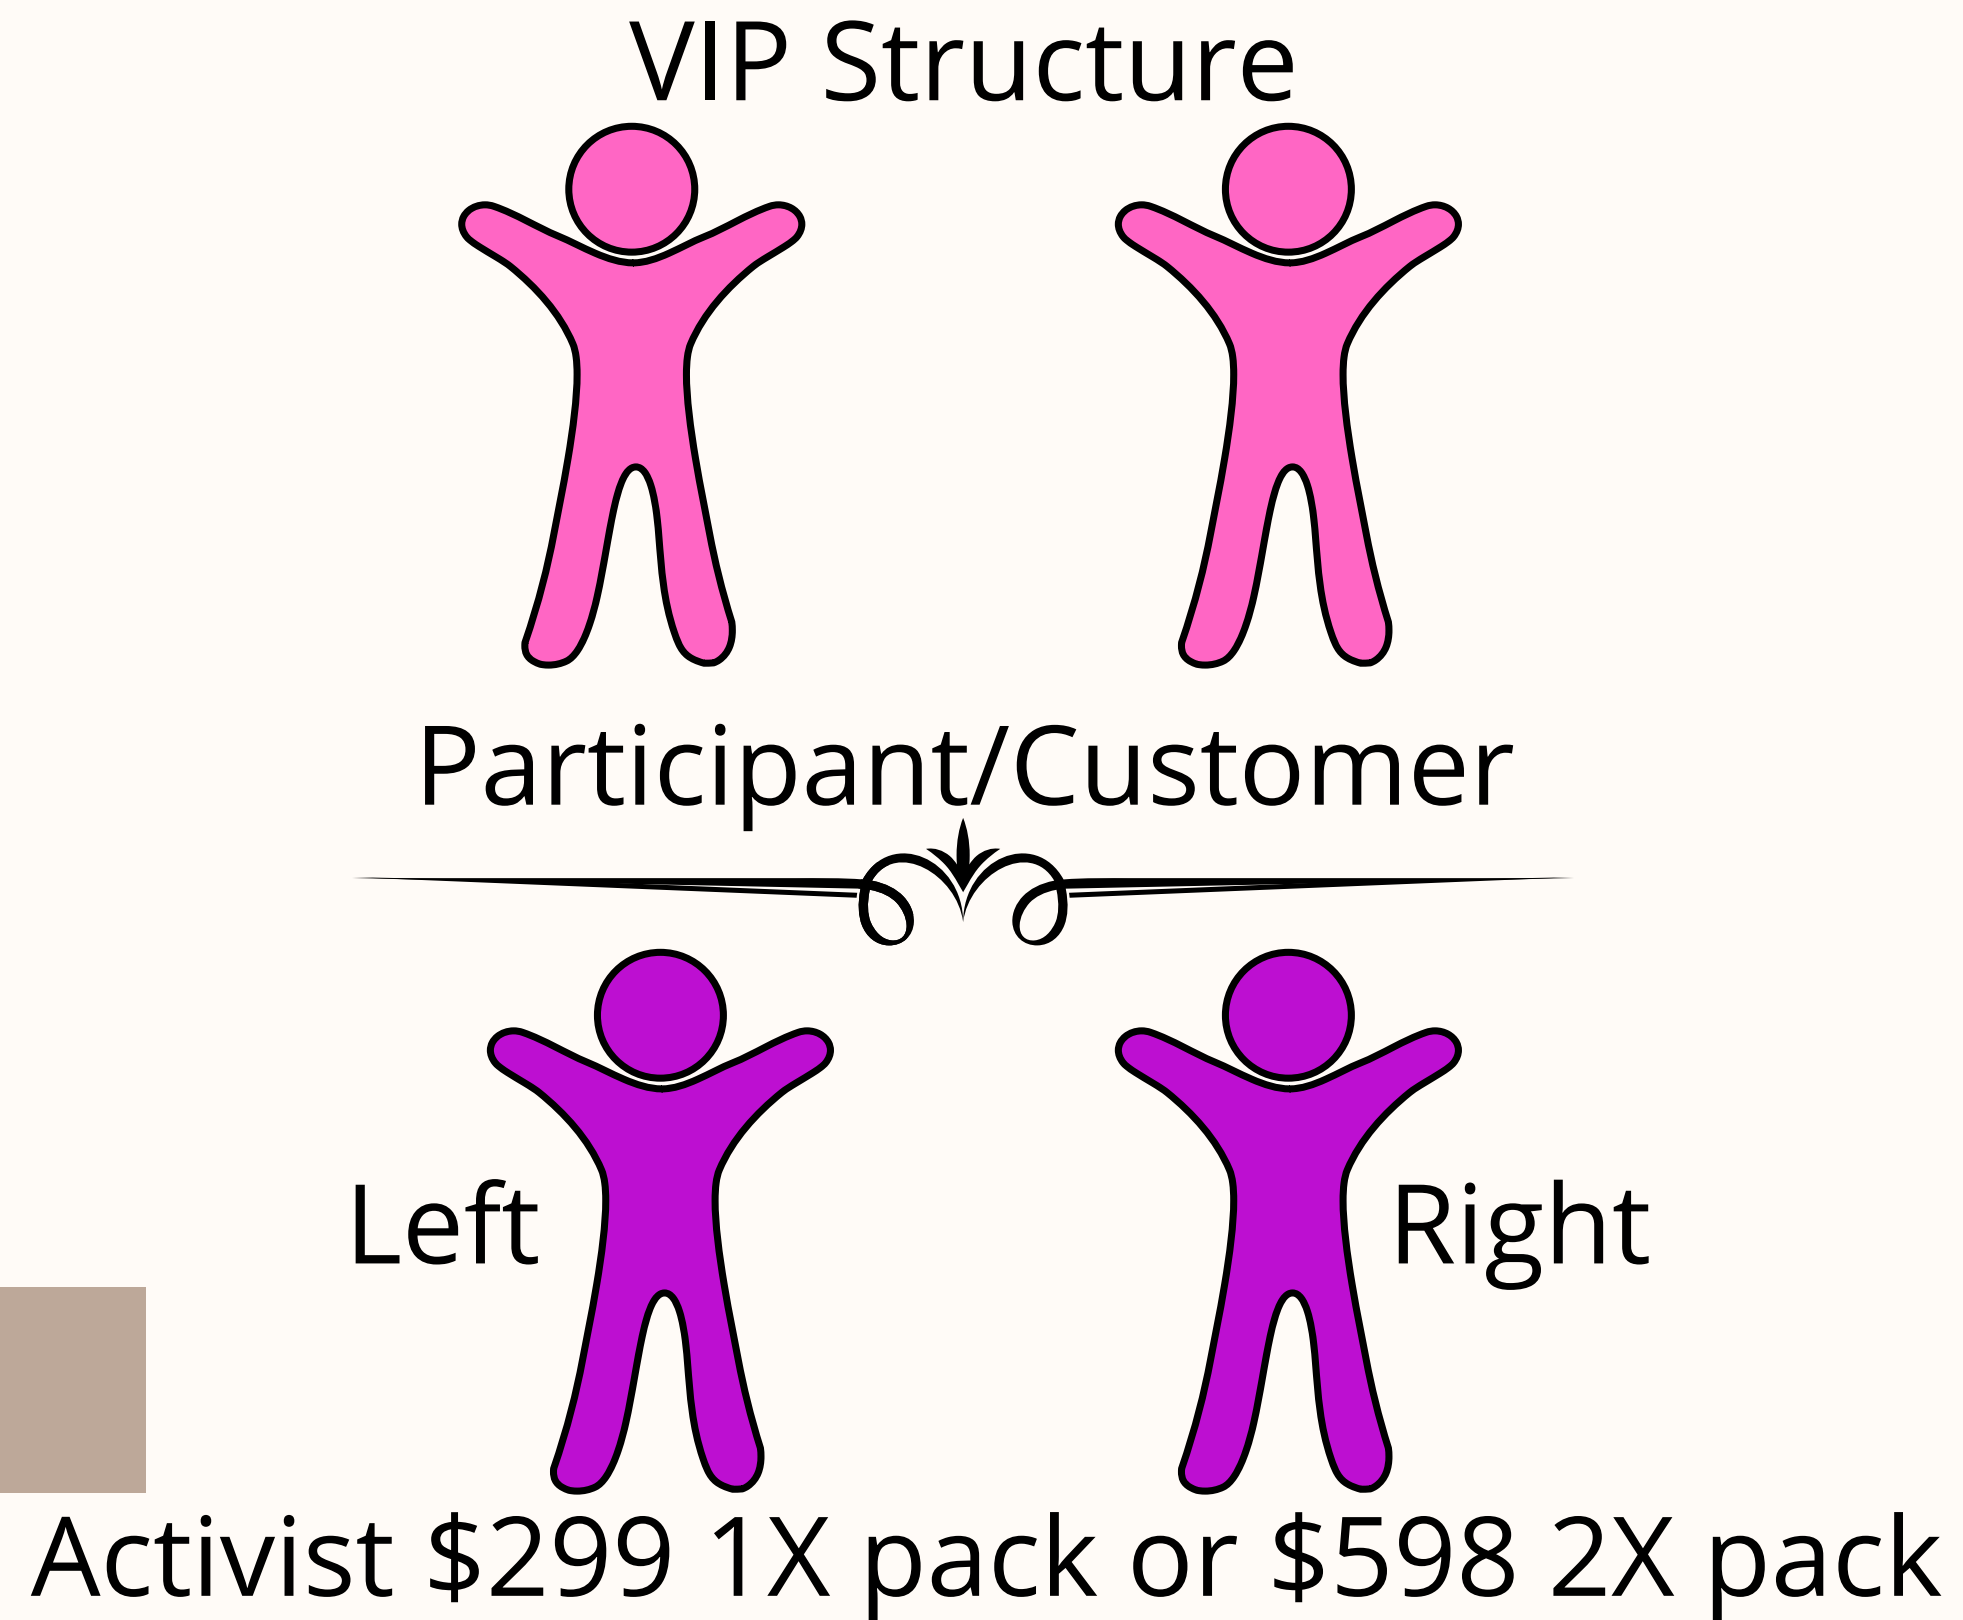

Participant/Customer

Activist \$299 1X pack or \$598 2X pack

You can build this structure twice within your first 15 days ...

and earn double the VIP bonus!

You can earn up to,  
and even more  
than, \$1400

with your personal Activists.

# Share product with 2 Activists (1 left and 1 right) and 2 Participants/Customers

- When you share two \$598 2x Activist Product Packages and share one bottle on autoship with two of your personal Participants, you earn \$380 over top of normal commission each time you hit VIP

# VIP Anytime and Every Time Bonus

And after the first 15 days ...  
the company has given us the ability to do  
the VIP bonus as many times as we like  
not based on a time clock.

Anytime you share product with 2 new  
Participants and 2 new Activists, one on the  
left and one on the right, the company will  
pay you half of the 15-day VIP Bonus!

**You can achieve this as many times as you like!**

At this point you are very close to becoming National.

The Rank of National is where the majority of the compensation plan opens up and you become a leader within NuXtrax

# HOW TO BECOME A NATIONAL

National/Structure

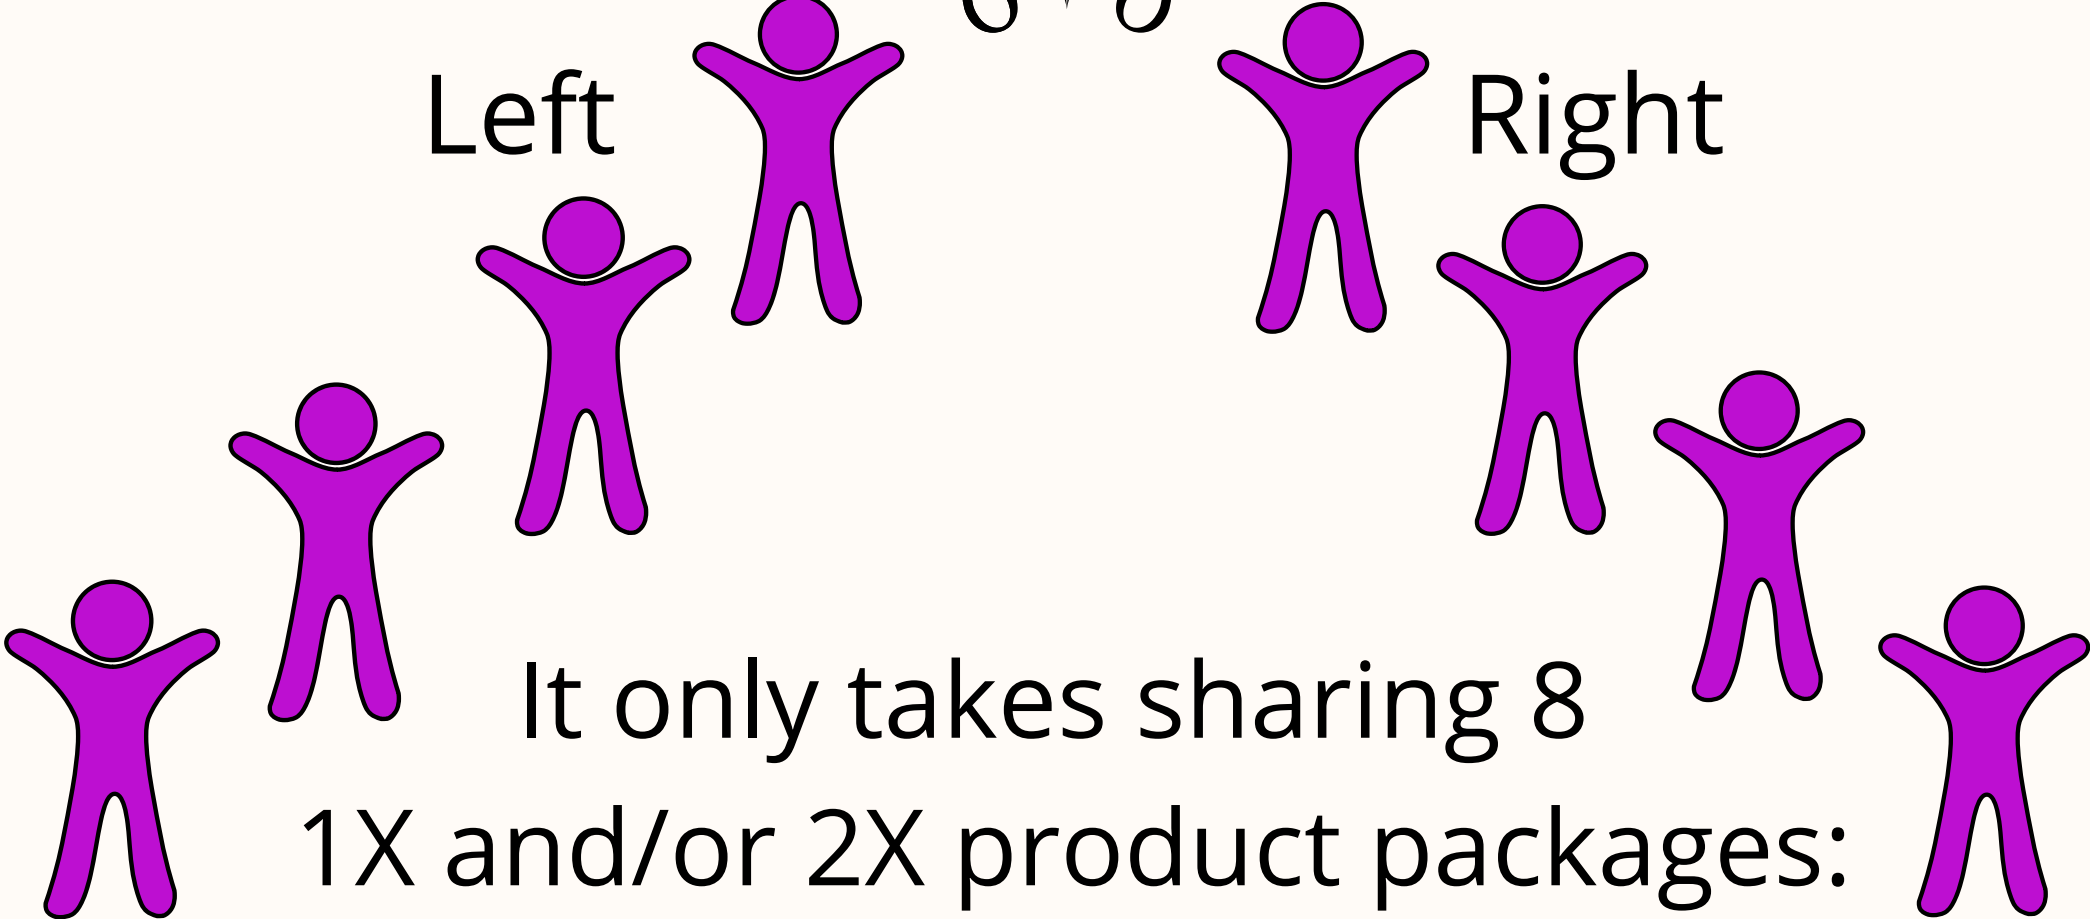

Participant/Customer

Left

Right

It only takes sharing 8  
1X and/or 2X product packages:  
4 on the left & 4 on the right

After you have achieved the Rank of National ...  
work with your upline National, Gold,  
Platinum and/or Diamond Platinum  
to help you build a business strategy  
for moving forward.

# It Pays To Help Others Become Leaders!

As a leader ... when you're helping your downline build a business strategy after achieving National ... the next goal is building other Nationals in your team. That is why this business naturally creates teams of people working together -- and the compensation plan promotes and rewards building as a team.

Note: You will want to create a new lineage by personally sharing with new Activists after becoming National, so you will understand the power of the ID imbedding your National payouts in that new lineage.

# The Fast Start...

is one of the major ways we earn significant income from the very beginning. It is not part of the binary. The fast start pays out whenever anyone orders a product package. It also is the reason why leadership levels are so important in this company. Simply put -- the higher your leadership level -- the more compensation you obtain.

# Simplification of how the income works

All of these figures are based on sharing the \$598 product package.

Sharing a \$299 product package will be exactly half the amount.

- Every time YOU share a \$598 initial product package or your personal Activist buys a \$598 product package, you will earn \$100
- The person who shared the product with you, will earn \$60
- The next Regional in the lineage (which can be yourself) will earn \$40
- The next National in the lineage (which can be yourself) will earn \$20
- The next Gold in the lineage (which can be yourself) will earn \$10
- The next Platinum in the lineage (which can be yourself) will earn \$10
- The next Diamond Platinum in the lineage (which can be yourself) will earn \$2

**For example** -if you are a National ...

on your ninth Activist you personally share the product with

to create a new lineage, you can be earning \$160

just from the fast start bonus--

not including the binary, the matching bonuses, or any special that may be going on!

The Big Take-away -- it Pays to be National!

You can see that sharing is truly compassion with compensation.

**Leadership levels require all of your  
Activists and Nationals and Golds to be  
personals to you and everyone on autoship**

**District:** 2 Participants and 2 Activists 1 left and 1 right

**Regional:** 2 Participants and 5 Activists --3 on one side  
and 2 on the other

**National:** 2 Participants and 8 Activists -- 4 left and 4 right

**Gold:** 2 Participants and 5 Nationals -- 3 on one side and 2 on  
the other

**Platinum:** 2 Participants and 10 Nationals -- 6 on one side  
and 4 on the other

**Diamond Platinum:** 2 Participants and 12 Nationals --2 of them  
being Gold, one left one right-- and two of them bought their  
initial product package after you achieved Platinum, one left one  
right.

# LEADERSHIP LEVELS

## Compassion

Most people begin using iHeRQles for their health ...  
and then begin sharing it with family and friends  
when they understand that everybody needs it and  
that there is nothing more pure, powerful, and safe.

## Compensation

And as you can see -- the rewards for sharing with  
compassion can provide significant income for  
a healthy lifestyle as well.

# Thank You!
