WPS Bus Decoration Policy

1. Decorations must not be placed until the bus has completed any previously scheduled school routes.

2. No decorations forward of the second row of windows including above the driver, anywhere in the drivers area or in the drivers view.

3. No decorations on any rear windows or emergency exits (including side, rear and roof hatches).

4. No glitter, confetti, etc. that could be slippery or difficult to clean off the floors.

5. All decorations (including any tape residue) must be removed immediately upon returning from the trip. This can be done at the drop point or at the bus yard. Please coordinate with the driver.
