

EMPLOY DIRECT GROUP CAPABILITY STATEMENT

COMPANY OVERVIEW

Employ Direct Group (EDG), a premier provider of staffing and recruiting services. We specialize in matching top talent with clients nationwide across various fields and professions, from entry-level to executive roles. Our expertise spans multiple sectors, including private, corporate, public, government, healthcare, high-tech, construction and more.

CORE COMPETENCY

- **Recruiting & Staffing:** EDG connects clients with talented professionals across a variety of roles, from executive search to temporary, temp-to-hire and long-term contract positions.
- **Training Solutions:** EDG offers high-caliber training for individuals, teams, and organizations nationwide. Whether on-site or online, our training workshops cover key areas to support employee growth and organizational development.
- **Job Development:** EDG specializes in job development within workforce organizations. Our team identifies job opportunities by leveraging publicly available listings, joining employer networks, making cold calls, and nurturing existing employer relationships. We focus on matching employer needs with the skills and interests of job seekers, aiming to create long-term, mutually beneficial partnerships.

DIFFERENTIATORS

At EDG, we prioritize experience, knowledge, teamwork, and commitment to deliver hiring solutions that meet the unique needs of each client. Our services ensure that both clients and employees can focus on the work that matters most, while EDG takes care of the administrative details.
