# WHAT IS THE JUNIOR AGRICULTURAL MECHANICS MARKETPLACE AND AUCTION?

The Junior Agricultural Mechanics Marketplace and Auction is held the last weekend of the San Antonio Stock Show & Rodeo. This exciting competition will test the craftsmanship and salesmanship skills of students across the state. In addition to the design and construction of a project, the contest will be focused on a sales presentation given by a team of 2-4 students to a panel of judges, a written exam and the development of marketing material.

## Student-built projects may include:

- Livestock & Farm Equipment - hay handling, livestock feeders, ag equipment & accessories
- Wildlife - deer feeders, hunting blinds
- Trailers - bumper pull trailers, towable BBQ pits & cooking equipment, home recreation & conveniences
- Fire pits & small BBQ pits - outdoor yard equipment, garden equipment

## HOW CAN YOU HELP?

The members of the Agricultural Mechanics Committee work throughout the year to increase the size, scope and quality of the Junior Agricultural Mechanics Marketplace and Auction. We are seeking supporters for the event to help reward youth exhibitors who excel with their projects. We hope you will also join us at the Marketplace and Auction to bid on winning projects. Enclosed you will find various contribution levels that will help the Marketplace and Auction in their efforts to enrich the lives of the program participants.

Your contribution will directly impact the youth of Texas while supporting and rewarding their accomplishments.
