

Teacher Dealer Cooperative Agreement (TDCA)

Supplement

Hypothetical 3 Track System - based on where tractor is reconditioned – repaired.

There could be some modification to the system in that tractor could be diagnosed at the Dealers Shop and then moved to School or Home Shop.

School Shop	Dealers Shop	Home (farm) shop
<p>Work Hours –Identified by teacher</p> <p>If summer and vacation times are involved - these hours can be extended to all day and evenings</p>	<p>Work Hours – Identified by dealer.</p> <p>Student would have opportunity to work at Dealers shop all day if school was not in session</p>	<p>Work Hours -Determined by parents.</p> <p>Summer and Vacations- all day, evenings and some nights</p>
<p>Primary Supervision – Teacher</p> <p>Dealer tech would be available on limited basis – could be some reduced costs of tech time.</p> <p>Perhaps an allocated number of tech hours up front but costs for addition hours</p> <p>No work on tractor without student/s presence and participating</p>	<p>Primary Supervision – Dealer Tech and teacher but both student and Tech time kept and validated by Teacher.</p> <p>No work on tractor without student/s presence and participating</p> <p>Time laps videos of major repairs to validate work performed by student</p>	<p>Primary Supervision – Parent</p> <p>Teacher is also responsible for Supervision and will visit frequently – Teacher responsible for validation of students work using time laps video.</p> <p>No work conducted on tractor without student/s presence and participating</p> <p>Tech help occasionally but with agreed on costs.</p>

School Shop	Dealers Shop	Home (farm) shop
<p>Transportation of tractor Ownership of tractor will determine this but if large tractor dealer could provide at reduced costs</p> <p>This could include to and from Show</p>	<p>Transportation of tractor Ownership of tractor will determine this but if large tractor dealer could provide at reduced costs</p> <p>This could include to and from Show</p>	<p>Transportation of tractor Ownership of tractor will determine this but if large tractor dealer could provide at reduced costs</p> <p>This could include to and from Show</p>
<p>Reimbursement of Student/s If tractor is owned by dealer or farmer and dealer was gaining from repair – some reimbursement to student – school could be considered.</p> <p>Dealerships providing tech support and assistance in parts procurement could replace student reimbursement</p>	<p>Reimbursement of Student/s Only if responsibilities in addition to repair of tractor - such as internship, otherwise no student labor costs to dealer</p>	<p>Reimbursement of Student/s If tractor is owned by dealer or farmer and dealer was gaining from repair – some reimbursement could be considered for student.</p> <p>Dealerships providing tech support and assistance in parts procurement could influence or substitute for student reimbursement</p>
<p>Disbandment of Agreement between Dealer and Teacher/School/Parent. Problems or concerns that arise from any cooperative member are presented to the other within two days of occurrence.</p> <p>If problem is not resolved in a week, member notifies other cooperative member in writing requesting to disband agreement and meet to resolve costs</p>	<p>Disbandment of Agreement between Dealer and Teacher/School/Parent.
