Teenager Who Ran Into The Roadway, Struck By Vehicle

Morris Plains, NJ: A teenage male was struck by a motor vehicle on Speedwell Avenue on Saturday, April 30 2022, just after 9 PM. While the investigation is still ongoing, preliminary witness statements indicate that the boy was standing on the southbound side of Speedwell Avenue, in an area prior to Glenbrook Road, when for unknown reason; he ran into the roadway, without using a crosswalk, and was struck by a Honda Odyssey traveling north.

The pedestrian sustained head and facial injuries, was treated by members of the Morris Minutemen Emergency Medical Services and Atlantic Health Paramedics at the crash scene, and was transported to Morristown Medical Center with non-life threatening injuries. The name and identity of the juvenile will not be released at this time. The 56 year old female driver remained at the scene after the collision and has not been issued any motor vehicle summonses. The Morris County Prosecutor's Office and Morris County Sheriff's Office are assisting with the ongoing investigation.
