# BUILT FOR PROFESSIONALS ON THE MOVE: THE HP ELITE FOLIO 2-IN-1 PC POWERED BY QUALCOMM TECHNOLOGIES

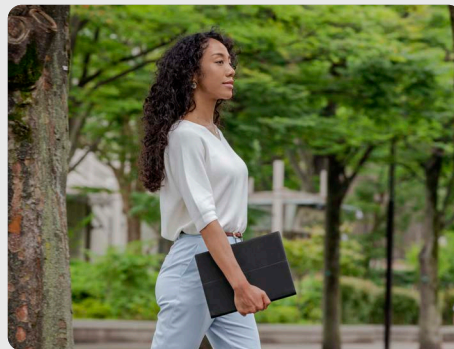

HP and Qualcomm Technologies have teamed up to provide an interconnected business solution that works and moves as seamlessly as you do.

This business PC features a pull-forward, nearly edge-to-edge display optimized for split screen mode. HP Sure View Reflect helps keep confidential information private so you can confidently work wherever life sends you. You'll be collaborating, creating, and consuming with ease supported by a fast-charging and long-lasting battery as well as crisp and clear sound and video.

Snapdragon® powers it all. Users will find lightning-fast connections from virtually anywhere supported by the Snapdragon 8cx processor with optional 5G.

Your teams will appreciate the computing power, device flexibility, and sustainable design. You'll value the amount of work they can produce with this mobile powerhouse!

Take the initiative to empower your team with durable and flexible solutions that fit their hybrid life.
