- 2026 Budget- budget committee met last week and went through the budget line by line. It was established that in order to hit the bare minimum of our programming for this year, we need to look at raising the levy by about 20% (to maintain flowers, graffiti removal, festival expenses, operations for the year etc.)
- Streetscape Improvement- still waiting for proposals from RFP (already accounted for in the 2025 budget)

\*Notes from Ned- please use Excel rather than google sheets

\*Explain reserve to members (that a large portion of our budget goes towards Streetscapes Improvement)
