SOUL DIVE RELEASES NEW SINGLE "BENDER" FOLLOWING BREAKOUT MOMENTUM OF DEBUT TRACK "SHELL OF A MAN"

PITTSBURGH, PA — Pittsburgh-based teenage rock band **Soul Dive** is continuing its rapid rise with the release of its second single, **"Bender,"** following the growing success of its debut release, **"Shell of a Man."**

What began as the band's first official studio release quickly turned into something more. Since the release of **"Shell of a Man,"** Soul Dive has seen increasing attention from local audiences, industry professionals, and regional music supporters. The momentum generated by the song has contributed to opportunities that include opening slots alongside nationally touring acts, recognition from Pittsburgh rock station **102.5 DVE**, and attention from **Drusky Entertainment** and also gaining a performance at **Jergel's Rhythm Grille**.

For a band whose members are still in their teens, the response has been both exciting and validating.

Now Soul Dive is building on that foundation with **"Bender,"** a powerful follow-up that showcases the band's evolving songwriting, energetic musicianship, and commitment to creating authentic rock music. While **"Shell of a Man"** introduced listeners to the band's sound, **"Bender"** pushes it forward with even greater confidence and intensity.

Recorded at The Vault Recording Studio in Pittsburgh and developed alongside respected producer Rob Deaner, the new single continues the band's mission of creating music that feels honest, energetic, and unmistakably their own.

Made up of Luca Becker (vocals, guitar), Cristiano Kinol (guitar), Santino Kinol (drums, keys), and Rylan Ivanisin (bass), Soul Dive has quickly become one of the most talked-about young bands emerging from the Pittsburgh music scene. Their performances at local festivals, venues, and showcases have earned a reputation for delivering the kind of chemistry and live energy that can't be manufactured.

With a full-length album in development and growing support throughout the region, Soul Dive's latest release marks another step forward in what is becoming a remarkable story.

"Being invited to be a part of the development of Soul Dive has been both exciting and rewarding. I've been on projects that have exploded onto the scene and this record has all of the same earmarks. This is sure to be a heck of a ride!"

-Rob Deaner
