COVID-19 VACCINATION LETTER

To Whom It May Concern:

Please excuse _____ from taking the COVID-19 vaccine and/or invasive tests, as it is a direct contradiction to our faith in God Almighty, whom we believe and serve. _____ obviously wants to live a healthy and productive life. He/she simply has faith that the Lord can provide that. As He has said,

Deuteronomy 7:15 KJV

“And the LORD will take away from thee all sickness, and will put none of the evil diseases of Egypt, which thou knowest, upon thee; but will lay them upon all them that hate thee.”

Furthermore, Jesus demonstrated his power over illnesses, so our faith teaches us that there is no sickness that cannot be healed by our God! Are we totally against medicine and doctors? Absolutely not! However, our faith teaches us that if one is not sick, a doctor is not necessary.

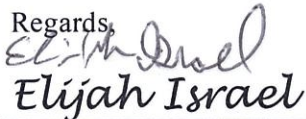

Matthew 9:12 KJV

“But when Jesus heard that, he said unto them, They that be whole need not a physician, but they that are sick.”

Lastly, even worrying about a possible future illness is against our faith. Why? Above the Lord is clear that He will keep sicknesses away from us and as a man Jesus proved he has healing power. So he admonishes us, “Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof” Matthew 6:34.

We ask you to please allow _____ to practice his/her faith without hindrance in this matter.
Thank You!

Regards,

Elijah Israel
