# THE LAMINATE ADVANTAGE

## 3D GRAINING – REALISTIC VISUALS

Bring the beauty of nature indoors with life life grain patterns, rich texture, and seamless plank alignment. Advanced embossing adds depth and comfort, while light reflection enhances the natural elegance of Oak.

---

## FADE FREE – STABLE VARIANT COLOR

Our UV – stabilized, fade resistant materials maintain vibrant color. Built to withstand chemicals, heat and humidity, with eco-friendly, durable finishes for lasting beauty. Low-VOC coatings enhance durability without compromising air quality.

---

## WATERPROOF PROTECTION

Our UNILIN locking system provides secure, water-tight seams with sealed & reinforced edges for lasting durability. Seamless compatibility with underlayments enhances performance. Backed by a warranty for long term reliability.

---

## PET FRIENDLY – SCRATCH & STAIN FREE

Designed for pet friendly homes, our flooring features a scratch resistant surface, stain repellent coating and a pet safe warranty for lasting durability. Made from non-toxic, allergy friendly materials, it ensures a healthy environment, while a paw friendly texture provides comfort and traction.
