Our services are here to offer a helping hand for anyone in difficult times. Our goal is to allow our clients to feel as though they are a part of our family, regardless of age, gender, social status, race.. everyone here will be treated equally.

## DO YOU LIKE DAY/ WEEKEND TRIPS?

Here at Duke's, we take our clients out to the aquarium, dinner, movies, bowling, & anywhere they may like.

Monthly weekend/ day trips are planned with the CEO in month's advance. We go to Dream Mall, New York, Baltimore, PA and so many more places to visit. Each month we take a survey of different outings and get a small group to do a day or weekend with. (Respite Hours are required for a weekend trip) Day trips are CBS based.
