Dear Reb Avraham Shlita,

When Yeshiva Shagas Aryeh planned the Chanuka event, we were eager to have you come speak for the upper grades Mesibah. It was decided however, that since we had you on schedule for the Siyum Hakones, it would be wise to keep a Rabbi Portowicz speech exclusive to the 6th grade event. After you spoke at the Siyum to the boys and their parents, we recognized that you can come every day and all will be interested and inspired nevertheless.

Yeshiva Shagas Aryeh thanks you for gracing our Siyum with your tangible warmth and Simchas Hachaim. The remarks you made in the opening and closing of your speech hit their mark, inspiring and complimenting one and all, the boys, their parents, the menehalim and, of course, the rabbeim. The story you told was most appropriate and captivating, as can be expected when Reb Avraham gets up to address talmidim. Your ability to connect to a crowd and say what needs to be said, in the way it needs to be said is most unique.

We are also very thankful for everything you put into your special son Reb Pinchos and son-in-law Reb Chaim Uri. We don't take their exceptional abilities as mechanchim for granted, as they are part of a chinuch family such as yours, Baruch Hashem.

May you continue to be Mechanech and inspire Yiddishe Kinder, leorach yamim tovim mitoch nachas, brius v'simcha.

B'yedidus,

Mordechai Shain
