Subject: Help Us Rebuild Our Community Purchase a Brick and Leave Your Mark

Dear FCOMP members and Friends,

I hope this letter finds you well. As you may be aware, our Filipino community hall suffered significant damage during a devastating storm that hit our area in early 2023. The roof of the hall was severely damaged, putting the safety of all who use the hall at risk.

Our community hall has been a central hub for many important events and gatherings over the years, serving as a place where we come together to celebrate our culture, traditions, and strengthen the bonds that unite us. It is now in dire need of repair to ensure that it remains a safe and welcoming space for generations to come.

To raise the necessary funds for the repair hall and replacement of the damaged roof, we are launching a special fundraising campaign. We are offering community members the opportunity to purchase a brick for \$250 each. In return for your generous donation, we will engrave your name or the name of a loved one as a lasting tribute to your support.

We understand that not everyone may be able to make a one-time donation of \$250. Therefore, we are also offering the option to make payments in installments of at least \$50 per month. Every contribution, no matter the size, will make a meaningful difference in our efforts to rebuild and restore our community hall.

Your support is crucial in helping us preserve this important space that holds so much meaning for our community. Together, we can ensure that our community hall stands strong once again, ready to welcome future generations with open arms.

If you would like to purchase a brick or make a donation towards the repair of our community hall, please reach out to us at fcompmonterey@gmail.com or 831-601-2041. Your kindness and generosity are deeply appreciated.

Thank you for considering our request and for being a valued member of our community. Together, we can make a difference.

With heartfelt gratitude,

Arthur Turqueza, David Brown and Virginia Fisher
