COUNTERFEIT DRIVER LICENSE RECOGNITION

NEW
COURSE

ADVANCED COURSE

BY VASIL I.D. TRAINING LLC AT

PICCOLA LAW ENFORCEMENT COMPLEX TRAINING CENTER

Thousands of counterfeit driver licenses are presented to law enforcement officers throughout the United States as proof of identity every day. These counterfeit licenses pose a direct threat to homeland security, public safety and financial fraud. These high-quality counterfeits have duplicated many security features on their counterfeits making the virtually "undetectable". This "hands on" interactive course will give officers the proper methods to identify/detect these counterfeits "within seconds." Instruction will include appropriate 2C statutes.

INSTRUCTOR: JOSEPH VASIL, retired as Coordinator from NJ MVC Fraudulent Document Training Unit after 35 years of service as an internationally recognized expert in document fraud. He was appointed to head the NJ Attorney General/MVC Document Fraud Taskforce in 2002. Certified N.J. police instructor. Certified expert witness in Federal and State courts. He has trained NYPD, Newark JTTF, NJSP, NY/NJ Port Authority Police, along with many Federal and Local police agencies in NJ/NY/PA. Mr. Vasil has successfully trained more than 16,000 law enforcement officers over the last 25 years.
