Allergies

We take kids safety very seriously. Therefore, once we know that your child has an allergy, we will ensure that foodstuff unsuited to them is blocked from their menu. We also adapt the menu to ensure it reflects the school's Healthy Eating & Allergy Policies.

The quality of the produce, the variety and the value for money are second to none. We have none of the former waste of food and packaging; It's a win-win situation! Our kids love it so much that one of them recently asked could we avail of the service on a Saturday!! - *Niamh, a happy mum*

A world of fresh choices every day!

- MORE FILLING THAN FISH IN THE SEA
- BREADS TO BEAT THE BAND
- COLD PASTA & SALAD
- STACKS OF SNACKS

School lunch is an important part of your child's day. Repetitive lunches can lead to fussy eaters and unfocused children.

Swap stressful mornings for sitting with your child to make good nutritional choices, at a time that suits you both.

Allow your child to taste new foods without additional cost or food waste!
