

## Lyle Community Clean-Up: ELECTRONICS RECYCLING

The following electronics will be collected: Cellphones, Cords (Decorative string lights), Computers - NO MONITORS - & laptops, Printers, fax machines, TVs, tablets/ereaders, remote controls, digital cameras, gaming consoles and controllers, routers, modems, wearable electronics, electronic medical devices, headphones, fitness trackers, speakers, MP3 players, GPS devices, DVD, CD and Blu-ray players, video cameras, radios, keyboards, mice, scanners, phone chargers, calculators, projectors, microphones, external hard drives, SSD drives, USB flash drives, memory cards, and circuit boards of any kind.

**NO COMPUTER MONITORS or APPLIANCES.**

Electronics recycling drop-off will be at the NW corner of the Lyle Activity Center (near the corner of Third Street and Klickitat Street – back of the building) between 9am – 4pm on Saturday and Sunday. Respect the community and do not litter/leave items outside of these times.

Please strongly consider a donation to the Lyle Community Council for organizing this opportunity – without the LCC this event would not exist.
