COVENANTS, EASEMENTS, RIGHT-OF-WAYS

The owner acknowledges that there may be covenants or right-of-ways registered on the property which may affect the construction or placement of a building upon the lands. The owner is solely responsible for determining the nature of those charges and how they may affect any construction. The Thompson-Nicola Regional District and the Village of Cache Creek accept no responsibility for any loss or damages due to an owner failing to verify or comply with all covenants, easements or right-of-ways. The issuance of a building permit by the Thompson-Nicola Regional District or the Village of Cache Creek does not remove the owners' responsibility to ensure they comply with any covenants, easements or right-of-ways registered on the title.
