Policy Statement:

The Village of Cache Creek and the Cache Creek Chamber of Commerce shall consider requests from Downtown Revitalization Area businesses to change the landscaping fronting their business premises when accompanied by the Request for DTR Landscaping Changes Application Form.

Purpose:

The purpose of this policy is to allow businesses with concerns about the Downtown Revitalization Area landscaping in front of their business premises to request changes to the landscaping.

Procedures:

1. Businesses must request changes using the attached application form.
2. Completed Application Forms are forwarded to Cache Creek Council and the Cache Creek Chamber of Commerce for review.
3. If the application is approved, the business is allowed to proceed.
4. If the application is approved with changes, the business may proceed if they agree with the changes.
5. All costs for removal of existing landscaping, any irrigation system changes and new landscaping are the responsibility of the business making the application.
6. If the application is rejected, the business may reapply in twelve months.
