Dear Countryside Villas Homeowner:

1. Southwest gas will be working on underground gas pipe at 4901 Doria
2. Southwest Gas is going to redirect homeowner's gas by moving the gas line to the house and block off the pipe coming from the street.
3. Prep work began today 8-23-2024 but the main excavation begins Tues 8-27-2024 and should take 1 to 3 days to complete.
4. Approximately 20' feet x 19" inches strip of asphalt will need to be excavated (from homeowner lot to the Doria parking lot by the mailboxes).
5. **Southwest will place metal plates over the area so vehicles can pass through and will lay down new asphalt after that until their subcontractor will do the actual asphalt patch.**
6. Homeowners will be overseeing their home and President Monica Alponete will also keep an eye out and be onsite each day if needed.
7. Capo in charge: Yami, Southwest Gas
8. Noise is expected during excavation (**PIMA County Noise Ordinance 9.30.070 Construction of buildings and other projects permissible from 6am-7pm M-F**) link below: [9.30.040 Impermissible sound levels.](#)
 - Tuesday is trash day, it won't affect trash pickup, except the trash cans at 4901 & 4891 Doria (at the location) will be moved over to neighboring curb where the trash truck can access them.
 - Please avoid and alert your guests to avoid using BOTH of the 2 parking lots by the 1st mailbox cluster on Doria, as these parking spaces will be used by Southwest equipment, vehicles, and personnel.
 - Southwest Gas will be doing everything possible for safety and efficiency and so as not to interrupt our lives, but if and when you can please avoid the area (walking and driving).

Both parking lots by the 1st cluster mailboxes on Doria must be kept free (please direct your guests to park elsewhere).

Both parking lots by 1st cluster of mailboxes on Doria must be kept clear for Southwest Gas personnel, equipment, vehicles as seen below.

4901 Doria

Painted dots indicate where asphalt will be excavated (approx 19" inches wide starting from end of Doria parking lot to the meter at exterior of 4901 Doria to inside the courtyard of 4901 Doria.
