(New trees planted, by Monica)

1. Planted Pink Desert Willow purchased @ \$5 from [TEP \(Tucson Electric Power\) low cost tree program](#) at request of homeowner at 4819 Doria in an ongoing effort to prevent homeowner's soil erosion; also installed spaghetti irrigation to the site.

← example of mature Pink Desert Willow tree

2. Planted Native Mesquite purchased @ \$5 from [TEP \(Tucson Electric Power\) low cost tree program](#) at **4825 Matilda** to replace Mesquite tree destroyed by storm 8-9-22 (Miguel removed 8-11-22).

Below is original tree (destroyed by storm and removed Aug 2022)

Replacement Mesquite planted 10-11-22
