

Thurs 6-23-2022 LANDSCAPING REPORT

MSM LANDSCAPING week #35

1. Large Tree limb removed, was completely blocking the street sign at Matilda & Lessing

view from corner (can now see street signs)

closeup view

2. Overgrown "Little-leaf Cordia" bush trimmed throughout the Villas (there are 3 of them). They produce beautiful white flowers but also grow super long shoots towering above plant. So this particular plant has to be trimmed an extra time compared to the other plants. Miguel trimmed extra short to compensate per homeowner's request.

Other:

3. Cleanup & blew piles of debris throughout Villas especially bad was Matilda (from wind storm the other day).
4. Hauled away large tree branch fallen after wind storm from Doria entrance (South side)
5. Replaced missing irrigation cover at home on Joanna
