THE PREZ SEZ

Betty Shapiro has volunteered to join Gene Fanning on the DCC&R Committee. She has our community's best interests at heart and has demonstrated this by also being our Vice President and Social Director. Thank you Betty for your services to our community!

Countryside Villas Social

Plan to attend the Villas "Get Acquainted" Coffee on Saturday morning, November 15th from 9 - 11:00 AM at 4901 W Doria Dr. Come early, bring a lawn chair, and enjoy coffee, juice and some goodies while visiting with neighbors (old & new). Bring your own *empty* coffee mug, if you wish. Children are welcome too! [Sponsored by your friendly Villas Staff]

Welcome New Neighbors

A hearty WELCOME to our newest Residents:

David Kremen at 4818 W Doria Dr.
Helene White & Robert Koontz at 4801 W Doria
Nicholas & Esther Christian and their children
Brandon & Gabriel at 4949 W Doria Dr.
Jim & Heidi Lytle and son Travis at 8895 Carolanne Dr

(WE hope that you new residents will make a special effort to be with us at the November 15th Coffee so that we can say "hello")

Street Lights

It has been noted that many homes have street lights that burn all day and are off at night when they are needed the most. If your lights are on during the day, you are wasting your electricity and money - and are not helping the community's need for light during the dark hours. If you don't

know how to adjust your timer, call Gene Fanning at 579-1671 and arrangements will be made to assist you in this matter.

Parking

Just a friendly reminder that cars are not to be parked on driveway aprons or in the streets. Please have your guests use the designated short term parking areas in our community.

Rattle Snakes

The rattlers are still alive and well! Many are shedding their skins and this puts them in a bad mood. It'll be another month or two before they go into hibernation so be aware!

Senior Activities

The Countryside Community Center provides free monthly luncheons and arranges tours of interest to seniors in this community. Check the monthly "Seniors Activities" page in the CCCA news letter and join us for fun, social activity and meet/make some new friends.

HUMOR CORNER

BE CAREFUL WHAT YOU WISH FOR:

A man and his wife, now in their 60's, were celebrating their 49th wedding anniversary. On their special day, a good fairy came to them and said that because they had been such a devoted couple, she would grant each of them a very special wish. The wife wished for a trip around the world with her husband. Whoosh! Immediately she had airline/cruise tickets in her hands. The man wished for a female companion thirty years younger.....Whoosh.....immediately he turned ninety!!!
