

Sign Maintenance 8/1/24 9:54:05 AM – posted by Monica Alponete, Countryside Villas HOA Board of Directors

Yellow & black Chevron sign went missing. We think it blew away due to storm. Needs replacement. Post is still there and in ground, it's just the sign itself that's missing and needs replacing. We looked for the sign somewhere on the ground in the area but could not find it.
Location: ON CAMINO DE OESTE: along the sidewalk on the Southside of Camino de Oeste about 50 yards West of Lessing Lane 85742. We placed a small orange marking flag at the top of the post for reference. # 17179074 Unincorporated Pima County
