2. **Finished North side of Doria (entire Doria both sides are now done)**
3. **Cut off suckers on the 3 large trees** (1 by 2nd mailbox cluster, and the 2 by the 1st parking lot on Doria)
4. **Picked up 3 piles of debris that were tagged and left curbside Carolanne & Joanna.** (There were 2 piles Janet placed by curb and 1 large pile a little ways over). 3 flags returned to Janet in bag placed on Janet's gate)

NOTE: (Additional debris piles)

- LESSING LANE: tree trimmings, these 2 piles are tagged and will be moved next Thursday.
- CAMINO DE OESTE PILES: The same 5+ piles remaining piles from last week still need to be moved to one pile and moved 2 ft to the curb / or 2 ft to the sidewalk. (most of them are tagged).

5. **YELLOW VESTS did a FANTASTIC JOB again this week, Tom trimmed tree along Lessing it** looks really nice; Janet has almost single handed cleared out the common area along the entrance at Matilda and along Lessing looks so nice. **AMAZINGLY NICE!!!** They have done such an amazing job.

6. MSM will do Carolanne next Thursday and whatever they can finish on Joanna
