CHAPLAIN'S PRAYER

FEBRUARY 2025

Bro. Kenneth Woods, SEDLO

Dear God,

As we move forward into these days of uncertainty, one thing we know...

We will not go back.

Inspire each of us to work more faithfully for justice and dignity of life. Lord, we remember the hurts of exclusion and prejudice, but we know that you can help us overcome these barriers and give wisdom and courage.

We will not go back.

We ask God to open people's minds and hearts and let them know that we are all God's children regardless of race or the color of our skin. We ask you God to send your holy spirit and open people's eyes.

Almighty God, we pray for unity among all people's hearts. Help us to stand together in love and solidarity, celebrating our differences and working together for a society of healing and peace.

AMEN
