CHAPLAIN'S PRAYER

OCTOBER 2025

Bro. Kenneth Woods, SEDLO Chaplain

God gives us the power of faith.

We need faith to travel this road of life. We can sit in our car all day with the key in the ignition, but the car will not move until we turn the ignition. We hold the key within us and all we have to do is activate it.

We activate our faith through positive thoughts and words. When we see and experience what is going on in our lives with the hate, corruption and the verbal abuse surely our faith is being tested. We must more than ever keep the faith.

Holy and merciful Father, thank you for hearing our prayers for persons and situations that we bring to you today.

Whatever we seek, and if we have faith, we will receive. We thank you heavenly father for answering our prayers that we bring to you today.

Amen, Amen, Amen
