# Prayer for April 2024

**AS WE COME TO THE CLOSE OF THIS CONFERENCE YEAR AND BEGIN OUR SERIES OF ANNUAL CONFERENCES...**

This being the last time we meet with Bishop Davis, Mother Davis, and Mrs. Benjamin in our Annual Conferences series, the Baltimore Conference, the Washington Conference, the Virginia Conference, the North Carolina Conference, and the Western North Carolina Conference have been blessed over the past 8 years. Our leadership team has shown love for the Second District, and the Second has returned that love. The Bible says "Thou shalt love thy neighbor as thyself." Tina Turner said "What's love got to do with it?" Love has everything to do with it. Love is peace; love is joy; love is hope.

My hope is built on nothing less than Jesus' blood and righteousness. God is love. We experienced a pandemic, but we are still here by God's grace... Love has lifted us. We pray for the Second Episcopal District Lay Organization, and we pray for the African Methodist Episcopal Church.

We pray Clergy and Laity.

In Jesus Name We Pray.

AMEN
